 - (b) the total amount of contributions payable by the person and the employer in accordance with section 26(5)(b), however calculated, is equal to or more than 11% of the amount of the person's qualifying earnings in any applicable pay reference period.
- (5) Case 3 is where an automatic enrolment service which is a defined benefits scheme is in existence on the person's postponement date and the scheme satisfies the requirements contained in section 21(1) or (2) (quality requirement: UK defined benefits schemes).
- (6) Case 4 is where an automatic enrolment scheme which is a hybrid scheme is in existence on the person's postponement date and the scheme—
- (a) falls within a description of hybrid schemes specified in any rule made under section 24(2) to (4), and
 - (b) satisfies such of the requirements referred to in section 24(1)(a) or (b) as the rule in question specifies as being appropriate to schemes of that description subject to—
 - (i) any prescribed modification of those requirements which is referred to in that rule, and
 - (ii) paragraph (7).
- (7) When applying, in accordance with any such rule as is referred to in paragraph (6), the requirements for a money purchase scheme under section 20—
- (a) the employer's contribution payable in accordance with section 20(1)(b), however calculated, must be equal to or more than 6% of the amount of the jobholder's qualifying earnings in any applicable pay reference period, and
 - (b) the total amount of contributions payable by the jobholder and the employer in accordance with section 20(1)(c), however calculated, must be at least 11% of the amount of the jobholder's qualifying earnings in any applicable pay reference period.
- (8) For the purposes of this regulation "postponement date" has the meaning given in regulation 25(1).

(9) In relation to Cases 1, 3 and 4, any reference to a particular provision of the Act is a reference to that provision as it applies to—

- (a) an occupational pension scheme within section 18(a) (occupational pension schemes with main administration in the UK); or
- (b) an occupational pension scheme within section 18(b) (occupational pension schemes with main administration in an EEA State other than the UK).

(10) In relation to Case 2 any reference to section 26 is a reference to that provision as it applies to—

- (a) a personal pension scheme within section 26(1), or
- (b) a personal pension scheme within regulation 35(1)(a)(ii).

- (b) in regulations 7 and 8 for all references to “the automatic enrolment date” substitute “the closure date”, and

- (c) in regulation 7 after paragraph (3) add—

“(4) At the request of the jobholder the employer must, for the period prescribed in paragraph (5), deduct any contributions which would have been payable by the jobholder to the scheme in respect of the period beginning on the automatic enrolment date and ending on the closure date, from any qualifying earnings or pensionable pay due to the jobholder in any applicable pay reference period.

- (5) For the purposes of paragraph (4), the prescribed period is a period of—

- (a) 5 years beginning with the date on which section 3 comes into operation in accordance with provision made by an order by the Department under section 118(1), or

31. The arrangements in regulations 9 and 10 are the arrangements for the purposes of section 8 (jobholder’s right to opt out) as it applies in relation to section 3(2) as modified by section 30(5) (transitional period for defined benefits and hybrid schemes), but with the modification that in regulation 9(2)(a) for “regulation 6(1)(a)” substitute “regulation 6(1)(a) or (b)”.

Refunds

32. The arrangements in regulation 11 apply for the purposes of section 8 (jobholder’s right to opt out) as it applies in relation to section 3(2) as modified by section 30(3) or (5) (transitional period for defined benefits and hybrid schemes).

PART 8

Existing members of qualifying schemes

- (b) confirmation that the scheme of which the jobholder is an active member is a qualifying scheme;
- (c) a statement that the employer may not take any action or make any omission, by which (without the jobholder ceasing to be employed by the employer) the jobholder ceases to be an active member of the scheme or the scheme ceases to be a qualifying scheme unless the jobholder is or within a period of one month becomes an active member of another qualifying scheme.

Continuity of scheme membership

34. The prescribed period for the purposes of section 2(3) (continuity of scheme membership) is one month beginning with the date on which—

- (a) the jobholder ceases to be an active member of a qualifying scheme, or

PART 9

Automatic enrolment schemes

Further conditions applicable to automatic enrolment schemes

35.—(1) The conditions prescribed for the purposes of section 17(1)(c) (automatic enrolment schemes) are—

- (a) that the scheme must be—
 - (i) an occupational pension scheme within section 18(a) or (b) (occupational pension schemes), or
 - (ii) a personal pension scheme where the operation of the scheme—
 - (aa) is regulated by a competent authority, and
 - (bb) is carried on by a person who is in relation to that activity authorised by a competent authority, and
- (b) where the scheme is an occupational pension scheme within the meaning of section 18(b) or a personal pension scheme where the operation of the scheme is carried on in accordance with paragraph (1)(a)(ii) by a person authorised by a competent authority other than that of the United Kingdom, the regulatory requirements applicable must provide that—
 - (i) at least 70% of any money purchase benefits applicable to the jobholder will be designated for the purpose of providing that jobholder with an income for life, and
 - (ii) the benefits payable to the jobholder under the scheme are payable no earlier than they would be under pension rule 1 in section 165(1) of the Finance Act 2004⁽³⁾.

PART 10

Exclusion as a qualifying scheme

Certain schemes providing average salary benefits excluded from being qualifying schemes

36.—(1) A pension scheme which provides for average salary benefits to be provided to or in respect of a jobholder is not a qualifying scheme if, subject to paragraph (3), the scheme has any of the features specified in paragraph (2).

(2) The specified features are that, in relation to any jobholder who has accrued rights to benefits under the scheme (“accrued benefits”)—

- (a) there is no provision for revaluation of such benefits;
- (b) such benefits are to be revalued at less than the minimum rate, or
- (c) such benefits are to be revalued only on the exercise of a discretionary power,

at any time when the jobholder’s pensionable service is continuing.

(3) Paragraph (1) does not apply to a scheme with the feature specified in paragraph (2)(c) if—

- (a) the funding of the scheme takes account of the exercise of the discretionary power and does so on the assumption that accrued benefits would be revalued at or above the minimum rate, and
- (b) such funding is provided for in the scheme’s statement of funding principles under Article 202 of the Pensions (Northern Ireland) Order 2005(8) or, if the scheme is not required to have such a statement, in an equivalent statement of the scheme’s funding plan.

(4) For the purposes of this regulation, the minimum rate on a revaluation of accrued benefits is an annual increase by—

- (a) the percentage increase in the retail prices index for the year by reference to which the revaluation is made, or
- (b) 2.5 %,

whichever is the lesser.

(5) In paragraph (4)(a) “retail prices index” means—

- (a) the general index of retail prices (for all items) published by the Statistics Board, or
- (b) where that index is not published for any month, any substituted index or figures published by the Board.

PART 11

Test Scheme

Test scheme: requirements to revalue accrued benefits and increase pensions in payment

37.—(1) Paragraph (2) applies for the purposes of section 23(1)(b) (test scheme).

(2) The following must be satisfied in relation to a test scheme—

- (a) the requirements of section 80(1) of the 1993 Act (basis of revaluation), and

(b) the requirements of Article 51 of the 1995 Order⁽⁹⁾ (annual increase in rate of pension).

(3) For the purposes of paragraph (2)(a), section 80(1) of the 1993 Act shall have effect as if “Subject to subsections (2) and (3),” were omitted.

Staged increase in appropriate age

38.—(1) In paragraph 2 “relevant determination” means a determination under section 22 as to whether a scheme satisfies the test scheme standard in relation to a jobholder.

(2) For the purposes of making any relevant determination on or after the date specified in an entry in Column 1 of the Table, the higher “appropriate age” prescribed for the purposes of section 23(3) is the age specified in Column 2 of the same entry.

Table

<i>Date</i>	<i>Pension age in test scheme</i>
6th April 2024	66 years
6th April 2034	67 years
6th April 2044	68 years

Requirements for meeting the test scheme standard

39.—(1) This regulation applies for the purposes of section 22(4) (test scheme standard).

(2) No person other than—

- (a) the scheme actuary, or
- (b) the employer of the relevant members of the scheme,

may certify that a scheme satisfies the test scheme standard.

(3) An employer may certify a scheme under paragraph (2)(b) only in cases that do not require any calculation, comparison or assessment of a description usually carried out by actuaries.

(4) In determining whether a scheme satisfies the test scheme standard, a scheme actuary or employer—

- (a) must have regard to the benefits to be provided under the scheme for persons who, at the date by reference to which the determination is made (which may precede the date on which it is made), are relevant members of the scheme, and
- (b) must not have regard to—
 - (i) pension credit benefits;
 - (ii) death benefits;
 - (iii) discretionary benefits (apart from those arising from discretionary pre-retirement revaluation made in the case of schemes providing for average salary benefits);
 - (iv) survivors’ benefits;
 - (v) subject to regulations 41 and 42, money purchase benefits;
 - (vi) benefits in respect of any person who is not a jobholder for the purposes of the Act;

⁽⁹⁾ Article 51 was amended by paragraph 40 of Schedule 9 to the Welfare Reform and Pensions (Northern Ireland) Order 1999 (S.I. 1999/3147 (N.I. 11)), section 47(1) of the Child Support, Pensions and Social Security Act (Northern Ireland) 2000 (c. 4 (N.I.)), Article 255 of the Pensions (Northern Ireland) Order 2005 (S.I. 2005/255 (N.I. 1)) and Article 11 of S.I. 2006/745

- (vii) benefits in respect of any jobholder whose annual rate of benefit accrual under the scheme has been reduced below the rate specified in section 23(4)(a) (test scheme), where the reduction is made as a result of a request made by the jobholder in question in accordance with scheme rules, or
- (viii) benefits in respect of any jobholder who has given notice under section 8 (jobholder's right to opt out).

(5) A scheme actuary or employer may not certify that a scheme satisfies the test scheme standard if the benefits to be provided for more than 10% of relevant members are not at least as valuable as the benefits which would be provided for them under a test scheme.

(6) In determining whether—

- (a) any of paragraphs (3) to (5) apply in relation to a scheme, or
- (b) a scheme otherwise satisfies the test scheme standard,

a scheme actuary or employer must follow any guidance issued by the Department under section 22(5) which is for the time being in force.

(7) “Scheme actuary” has the meaning given in section 22(7) except—

- (a) where the scheme is a defined benefits or hybrid scheme within section 18(b) (occupational pension schemes);
- (b) where the scheme is a defined benefits or hybrid scheme within section 18(c) and there is an actuary appointed to the scheme who satisfies the requirements of regulations made under Article 47(5) of the 1995 Order(10) (professional advisers), or
- (c) in any other circumstances where, by virtue of regulations made under Article 47 of the 1995 Order, the scheme is not required to appoint a scheme actuary.

(8) In any case falling within paragraph (7)(b), “scheme actuary” means the actuary referred to in that paragraph who is appointed to the scheme.

(9) “Relevant members” has the meaning given in section 22(2).

PART 12

Hybrid schemes

Interpretation

40. In this Part—

“the paragraph (a) quality requirements” means the requirements for a money purchase scheme under section 20 (referred to in relation to hybrid schemes in paragraph (a) of section 24(1) (quality requirements: UK hybrid schemes));

“the paragraph (b) quality requirements” means the requirements for a defined benefits scheme under sections 21 to 23 (referred to in relation to hybrid schemes in paragraph (b) of section 24(1));

“relevant rule” means any rule made under section 24(2) to (4).

Modification of test scheme standard: money purchase benefit lump sum accruals

41.—(1) Paragraph (2) applies where a relevant rule—

(10) See S.R. 1997 No. 94

- (a) specifies a description of hybrid schemes, and
 - (b) provides that the paragraph (b) quality requirements are to apply to any scheme of that description subject to the modifications made by this regulation.
- (2) In determining whether any such scheme satisfies the paragraph (b) quality requirements in relation to a jobholder, section 23 (test scheme) has effect as if for subsection (4) there were substituted—
- “(4) The requirements of subsection (4A) or (4B) must be satisfied in relation to the amount available for the provision of a pension to a member at the appropriate age (“the amount”).
- (4A) The requirements of this subsection are that the amount must accrue at an annual rate of at least 16% of qualifying earnings.
- (4B) The requirements of this subsection are that the amount must—
- (a) accrue at an annual rate of at least 8% of qualifying earnings, and
 - (b) until the date on which the member attains normal pension age (within the meaning of the Pension Schemes Act), be increased as a minimum by 3.5% per annum, in addition to any increase that is required by virtue of regulation 37(2) (a) of the Occupational and Personal Pension Schemes (Automatic Enrolment) Regulations (Northern Ireland) 2010.”.
- (3) Where the modification described in paragraph (2) has effect in relation to a hybrid scheme of the relevant description, regulation 39 is to be read as if, after paragraph (4) there were inserted—
- “(4A) Where, in relation to a scheme to which the modification described in regulation 41(2) applies, an employer is determining whether the scheme satisfies the test scheme standard—
- (a) the employer must choose between a test scheme which satisfies the requirements of section 23(4A) or those of section 23(4B), and
 - (b) having made that choice, that is the test scheme which the employer must apply in relation to all persons who are relevant members.”.

Modification of test scheme standard: final salary lump sum accruals

- 42.**—(1) Paragraph (2) applies where a relevant rule—
- (a) specifies a description of hybrid schemes, and
 - (b) provides that the paragraph (b) quality requirements are to apply to any scheme of that description subject to the modification made by this regulation.
- (2) In determining whether any such scheme satisfies the paragraph (b) quality requirements in relation to a jobholder, section 23 has effect as if for subsection (4) there were substituted—
- “(4) The amount available for the provision of a pension to a member must accrue at an annual rate of at least 16% of average qualifying earnings in the last three tax years preceding the end of pensionable service.”.

Modification allowing different quality requirements to be satisfied in aggregate

- 43.**—(1) Paragraphs (2) to (5) apply where a relevant rule—
- (a) specifies a description of hybrid schemes, and
 - (b) provides that—

- (i) the provisions of any scheme of that description which relate to defined benefits and the provisions of the scheme relating to money purchase benefits are to be treated as if they provided for benefits under separate schemes;
- (ii) in respect of the money purchase benefits provisions, the paragraph (a) quality requirements are to apply;
- (iii) in respect of the defined benefits provisions, the paragraph (b) quality requirements are to apply, and
- (iv) those quality requirements are to apply to the scheme subject to the modifications made by this regulation.

(2) Notwithstanding that not all of the paragraph (a) quality requirements or the paragraph (b) quality requirements are satisfied in relation to the scheme, those requirements are nevertheless to be treated as having been satisfied in relation to any jobholder in the circumstances set out in paragraph (3).

(3) The circumstances are that—

- (a) all of the paragraph (a) quality requirements are met apart from either or both of the requirement in section 20(1)(b) (“requirement X”) and the requirement in section 20(1)(c);
- (b) all of the paragraph (b) quality requirements are met apart from the requirement in section 23(4) (“requirement Y”), and
- (c) having carried out the calculations set out in paragraph (4), the aggregate of the resulting percentages is at least 100.

(4) Each of the following is to be calculated as a percentage—

- (a) the extent to which requirement X is met as a proportion of the minimum rate of employer’s contribution specified in section 20(1)(b);
- (b) the extent to which requirement Y is met as a proportion of the annual rate of pension specified in section 23(4).

(5) In relation to a scheme to which any modification described in regulation 41 or 42 applies by virtue of a relevant rule, the reference in paragraph (3)(b) to the requirement in section 23(4) is to that requirement as modified by regulation 41 or 42, as the case may be.

(6) Where paragraphs (2) to (5) have effect in relation to a hybrid scheme of the relevant description, regulation 39 is to be read as if, for paragraph (5), there were substituted—

“(5) A scheme actuary or employer may not certify that a scheme satisfies the test scheme standard if the aggregate percentage referred to in regulation 43(3)(c) is less than 100 in relation to more than 10% of relevant members.”.

PART 13

Non-UK Pension Schemes

Description of an occupational pension scheme with its main administration outside the EEA States

44. A pension scheme that has its main administration outside the EEA States is an occupational pension scheme for the purposes of section 18(c) (occupational pension schemes) if it is an occupational pension scheme within the meaning of section 1(1) of the 1993 Act⁽¹¹⁾.

(11) Section 1 was amended by Article 216 of the Pensions (Northern Ireland) Order 2005 and the definition of “occupational pension scheme” was amended by regulation 2(2) of S.R. 2007 No. 457

Quality requirements: non-UK occupational pension schemes

45.—(1) A money purchase scheme within section 18(b) or (c) (occupational pension schemes) satisfies the quality requirement for the purposes of section 25 in relation to a jobholder—

- (a) if it satisfies the requirements for a money purchase scheme under section 20(1), or
- (b) if Article 6 of Directive [98/49/EC](#) of the European Council of 29th June 1998 on safeguarding the supplementary pension rights of employed and self employed persons moving within the Community⁽¹²⁾ applies in relation to the jobholder and the scheme is a supplementary pension scheme within the meaning given by Article 3(b) of that Directive.

(2) For the purposes of paragraph (1), section 20(1) is to be read as if for “that has its main administration in the United Kingdom” there were substituted “within section 18(b) or (c)”.

(3) A defined benefits scheme within section 18(b) or (c) satisfies the quality requirement for the purposes of section 25 in relation to the jobholder—

- (a) if it satisfies the requirements for a defined benefits scheme under sections 21 to 23, or
- (b) if Article 6 of Directive [98/49/EC](#) of the European Council of 29th June 1998 on safeguarding the supplementary pension rights of employed and self employed persons moving within the Community applies in relation to the jobholder and the scheme is a supplementary pension scheme within the meaning given by Article 3(b) of that Directive.

(4) For the purposes of paragraph (3), section 21 is to be read as if for “that has its main administration in the United Kingdom” there were substituted “within section 18(b) or (c)”.

(5) Section 24 (quality requirement: UK hybrid schemes) applies to any hybrid scheme within section 18(b) or (c) as it applies to a hybrid scheme that has its main administration in the United Kingdom.

(6) For the purposes of paragraph (5)—

- (a) the reference in section 24(1)(a) to the requirements for a money purchase scheme under section 20, and
- (b) the reference in section 24(1)(b) to the requirements for a defined benefits scheme under sections 21 to 23,

are to be read subject to the modifications made by paragraphs (2) and (4).

(7) Accordingly, a hybrid scheme within section 18(b) or (c) satisfies the quality requirement for the purposes of section 25 in relation to the jobholder if the scheme falls within a description of hybrid schemes specified in any rule made under section 24(2) to (4) and either—

- (a) the scheme satisfies such of the requirements referred to in paragraph (6)(a) or (b) as the rule in question may specify as being appropriate to schemes of that description, subject to any prescribed modification of those requirements which is referred to in that rule, or
- (b) the requirement is that Article 6 of Directive [98/49/EC](#) of the European Council of 29th June 1998 on safeguarding the supplementary pension rights of employed and self employed persons moving within the Community applies in relation to the jobholder and the scheme is a supplementary pension scheme within the meaning given by Article 3(b) of that Directive.

46. A pension scheme to which section 26 (quality requirement: UK personal pension schemes) does not apply, satisfies the quality requirement for the purposes of section 27 (quality requirement: other personal pension schemes) in relation to a jobholder—

- (a) if the conditions in section 26(3) to (7) are satisfied, or

(12) OJ L 209, 25.7.1998 p.46-49

- (b) if Article 6 of Directive [98/49/EC](#) of the European Council of 29th June 1998 on safeguarding the supplementary pension rights of employed and self employed persons moving within the Community applies in relation to the jobholder and the scheme is a supplementary pension scheme within the meaning given by Article 3(b) of that Directive.

Prescribed requirements for non-UK qualifying schemes

47.—(1) Where—

- (a) the requirements set out in paragraphs (2) and (3) are satisfied, and
- (b) the requirement set out in one of paragraphs (4), (5), (6) and (7) is satisfied,

section 16(1)(b) (qualifying schemes) does not apply in relation to a money purchase scheme or a personal pension scheme to which section 25 or 27 (quality requirement: non-UK occupational pension schemes or other personal pension schemes) applies.

(2) The requirements to be satisfied are that—

- (a) the scheme is an occupational pension scheme and there is, in the country or territory in which it has its main administration, a body—
 - (i) which regulates occupational pension schemes, and
 - (ii) which regulates that scheme, or
- (b) the scheme is a personal pension scheme and there is, in the country or territory in which the personal pension scheme provider is established, a body—
 - (i) which regulates personal pension schemes, and
 - (ii) which regulates the personal pension scheme provider in relation to that scheme.

(3) The requirement to be satisfied is that the regulatory requirements applicable to the money purchase scheme or the personal pension scheme provide that some of the benefits applicable to the jobholder may be designated for the purpose of providing that jobholder with an income for life.

(4) The requirement to be satisfied is that the scheme is a qualifying overseas pension scheme.

(5) The requirement to be satisfied is that relief from tax is given in respect of contributions made by an individual under a double taxation agreement for which a deduction of tax is given under the Income and Corporation Taxes Act 1988⁽¹³⁾.

(6) The requirement to be satisfied is that relief from tax is given in respect of contributions made by an individual under an arrangement entered into by the individual for which a deduction of tax is given under Chapter 2 of Part 5 of the Income Tax (Earnings and Pensions) Act 2003⁽¹⁴⁾ (employment income: deductions allowed from earnings) for that tax year in accordance with paragraph 51 of Schedule 36 to the Finance Act 2004⁽¹⁵⁾ (pension schemes etc).

(7) This paragraph applies in relation to money purchase schemes and the requirement to be satisfied is that the employer's contribution, however calculated, includes an additional amount, the value of which represents the value of any relief from tax which would have been applicable in relation to the jobholder's contributions if the scheme had been registered under Chapter 2 of Part 4 of the Finance Act 2004.

(8) For the purposes of this regulation—

“double taxation agreement” means an agreement having effect by virtue of section 788 of the Income and Corporation Taxes Act 1988 (relief by agreement with other territories);

“qualifying overseas pension scheme” has the meaning given in Schedule 33 to the Finance Act 2004 (overseas pension schemes: migrant member relief).
