

SCHEDULE 1

Regulations 8(2), 9(9), 10(8) and 17(5)

MEASURES ON SUSPECT AND INFECTED
PREMISES AND ON PREMISES IN A CONTROL ZONE

Records

- 1.—(1) The occupier shall keep a record of every horse on the premises.
- (2) The occupier shall take all reasonable steps to update the record to show the number of horses on the premises that—
 - (a) have died;
 - (b) show clinical signs of African horse sickness;
 - (c) have been born since restrictions under these Regulations were placed on the premises; and
 - (d) enter or leave the premises under licence.
- (3) The occupier shall ask any other occupier to report any changes in the details of their horses on the premises that are relevant to the record.
- (4) The occupier shall keep the record for at least six months after (as the case may be)—
 - (a) the revocation of the notice served under regulation 8(2), 9(8), or 10(7), or
 - (b) the premises ceasing to be within the control zone,whichever is the later.

Housing of horses

2. The occupier shall ensure that every horse on the premises is kept—
 - (a) so far as is practicable on the part or parts of the premises where it is likely to be less exposed to vectors; or
 - (b) as directed by a veterinary inspector.

Restriction on movement of horses, carcasses or things

3. A person shall not move any horse, carcass or thing to or from the premises, except under the authority of a licence issued by a veterinary inspector or an officer of the Department acting under the direction of a veterinary inspector.

Control of vectors

4. The occupier shall implement such practicable vector control measures as the veterinary inspector may require.

SCHEDULE 2

Regulation 17(5)

MEASURES IN A PROTECTION ZONE AND IN A SURVEILLANCE ZONE

Movement out of a protection zone

1. No person may move any horse, or any semen, ovum or embryo of a horse—
 - (a) out of a protection zone; or

Status: This is the original version (as it was originally made).

(b) out of a surveillance zone to an area outside any zone,
except under the authority of a licence granted by a veterinary inspector.

Movement from premises within a protection zone

2. No person may move from premises within a protection zone or a surveillance zone—
 - (a) any ass, donkey, zebra, mule or other hybrid of these except under the authority of a licence granted by a veterinary inspector;
 - (b) any other horse that shows clinical signs of African horse sickness on the day of the proposed move.
