etc. Regulations (Northern Ireland) 2014**

PART 5

Supply of substances

Labelling: Annex I substances

15.—(1) This regulation applies to the label required to be affixed by Article 5 of the Precursors Regulation.

(2) The label must state that the acquisition, possession or use of the substance by the general public is restricted.

(3) The label must be in English, whether or not it is also in another language.

(4) The label must be applied in accordance with Article 31(1), (3) and (5) of the CLP Regulation (reading references to Article 17(1) as a reference to Article 5 of the Precursors Regulation and references to this Chapter as references to Article 31(1) and (3) of the CLP Regulation) ^{M1}.

Marginal Citations

M1 If the substances are also required to be labelled under the CLP Regulation, Article 32(6) of that Regulation will apply in relation to the location of the information on the label, relative to other required information.
