- (b) in the performance of its duties under that Article and Article 6B of the Energy Order.

(3) In determining the appeal the CMA—

- (a) may have regard to any matter to which the Authority was not able to have regard in relation to the decision which is the subject of the appeal; but
- (b) must not, in the exercise of that power, have regard to any matter to which the Authority would not have been entitled to have regard in reaching its decision had it had the opportunity of doing so.

(4) The CMA may allow the appeal only to the extent that it is satisfied that the decision appealed against was wrong on one or more of the following grounds—

- (8) In determining for the purposes of paragraph (7) what the purpose of a condition is the condition may be assessed on its own or in combination with any other conditions of the licence.
