 - (e) parental leave.
- (3) Amounts equal to the pensionable earnings that M would have received but for the absence are treated as having been paid to M.
- (4) Paragraph (3) does not apply to M as respects any period after the earnings used to calculate M's pensionable earnings under regulation 27 have ceased to be paid to M if—
- (a) M is neither a practitioner nor non-GP provider; and
 - (b) M is within paragraph (2)(a).
- (5) For the purposes of regulations 27 to 31 amounts equal to reduced earnings to which paragraph (6) applies are treated as pensionable earnings.

 - (b) for any period (period A) while M is within paragraph (2)(b) to (e) and during a period following that period (period B) whilst M continues to be within that paragraph and M's earnings are reduced to zero.
- (7) For the purposes of paragraph (6)(b)—
- (a) pay received by a woman on maternity leave in respect of days during which she returns to work for the purpose of keeping in touch with the workplace must be ignored;
 - (b) earnings reduced to zero in period B are treated as if they were reduced to the amount applicable to period A.
- (8) During any period of absence which counts as pensionable service under regulation 21(4) or (6) (up to 24 months leave of absence with full contributions), amounts equal to the rate of M's pensionable earnings immediately before the absence are treated as pensionable earnings.

- (12) For the purposes of paragraph (10)(b), the rate of contributions payable is the rate that would have been payable on the basis of reduced earnings in accordance with paragraphs (5) and (6)(a) if the practitioner's or non-GP provider's reduced earnings had excluded earnings for a day during which the practitioner or non-GP provider, whilst on maternity leave, returned to work for the purpose of keeping in touch with the workplace.
- (13) If M fails to pay contributions which are required to be paid in respect of a period of absence to which this regulation applies—

(4) For the purpose of determining the amount of contributions payable during any period in which M's pensionable earnings are reduced as mentioned in regulation 28, the reduction in pensionable earnings must be disregarded.

(5) In this regulation, “the first monthly payment” includes any monthly payment due in arrears for the period between the start of the scheme year in which the buy-out election is accepted and the date of that first payment.

Suspension of buy-out: hardship **N.I.**

- (b) where M is a practitioner or a non-GP provider, the level of M's engagement in the employment is increased to more than 90% of M's pre-change level.

[^{F7}(3) The amount of M's pension mentioned in regulation 84(2) is abated to zero from the first pension day following the day on which the relevant increment occurred.]

(4) If, during the period of 12 months beginning with the day following election day, M enters further employment in which M is an active member—

- (a) the terms on which M holds the employment in respect of which the election was made (the election employment) are treated as having changed again; and
- (b) for the purpose of determining whether M is subject to a relevant increase—
 - (i) where M is a practitioner or a non-GP provider, M's level of engagement in the further employment is treated as engagement in the election employment; and
 - (ii) where M is neither a practitioner nor a non-GP provider, M's pensionable earnings in the further employment are treated as pensionable earnings from the election employment

(5) Paragraph (3) does not apply if—

- (a) the only change to M's terms as mentioned in paragraph (1)(b) is to M's pensionable earnings;
- (b) the scheme manager thinks that the annual rate of M's pensionable earnings at the time of the change would have exceeded the annual rate mentioned in paragraph (2)(a).

(6) If M was not an active member during the whole of the period of 12 months mentioned in paragraph (1)(b), that paragraph applies as if M's pensionable earnings during that period were—

$$PE \times \frac{365}{N}$$

where—

PE is M's pensionable earnings for the part of that period during which M was an active member; and

N is the number of days in the period on which M was an active member.

(7) In paragraph (2)(b), the pre-change level is the level of M's engagement in the employment during the period of 12 months ending on the election day.

CHAPTER 5 **N.I.**

Ill-Health pension

Entitlement to ill-health pension **N.I.**

- 89.**—(1) An active member (M) is entitled to immediate payment of—
- (a) an ill-health pension at Tier 1 (a Tier 1 IHP) if the Tier 1 conditions are satisfied in relation to M;
- (b) an ill-health pension at Tier 2 (a Tier 2 IHP) if the Tier 2 conditions are satisfied in relation to M.
- (2) The Tier 1 conditions are that—
- (a) M has not attained normal pension age;
- (b) M has ceased to be employed in HSC employment;
- (c) the scheme manager is satisfied that M suffers from physical or mental infirmity as a result of which M is permanently incapable of efficiently discharging the duties of M's employment;
- (d) M's employment is terminated because of the physical or mental infirmity; and
- (e) M claims payment of the pension.
- (3) The Tier 2 conditions are that—
- (a) the Tier 1 conditions are satisfied in relation to M; and
- (b) the scheme manager is also satisfied that M suffers from physical or mental infirmity as a result of which M is permanently incapable of engaging in regular employment of like duration.

- (4) M is not entitled to payment of a pension under this regulation if M's HSC employment is terminated because—
- (a) M is dismissed (unless the scheme manager is satisfied that the dismissal was because of M's infirmity);
 - (b) M retires or resigns at a time when—
 - (i) M is subject to disciplinary proceedings; or
 - (ii) had been notified that such proceedings were being contemplated; or
 - (c) M otherwise retires or resigns, unless—
 - (i) at the time of doing so M's employing authority has notified the scheme manager in writing that M's physical or mental infirmity is the reason for the termination; and
 - (ii) the scheme manager is satisfied that is the case.
- (5) In paragraph (3)(b), “regular employment of like duration” means—
- (a) in the case of a practitioner or a non-GP provider, such employment as the scheme manager thinks would involve a similar level of engagement to M's current pensionable service as a practitioner or non-GP provider;
 - (b) in any other case, where prior to ceasing HSC employment, M was employed—
 - (i) on a whole-time basis, regular employment on a whole time basis;
 - (ii) on a part-time basis, regular employment on a part-time basis, regard being had to the number of hours, half days and sessions M worked in the employment.
- (6) A pension under this regulation is payable for life: but see regulations 94 and 95.

Member's incapacity **N.I.**

- 90.**—(1) For the purpose of determining whether a member (M) is permanently incapable of discharging the duties of M's employment efficiently the scheme manager must—
- (a) have regard to the factors in paragraph (2), no one of which is to be decisive; and
 - (b) disregard M's personal preference for or against engaging in the employment.
- (2) The factors mentioned in paragraph (1)(a) are—
- (a) whether M has received appropriate medical treatment in respect of the infirmity;
 - (b) M's mental capacity;
 - (c) M's physical capacity;
 - (d) the type and period of rehabilitation it would be reasonable for M to undergo in respect of the infirmity, regardless of whether M has undergone the rehabilitation; and
 - (e) any other matter the scheme manager thinks appropriate.
- (3) For the purpose of determining whether M is permanently incapable of engaging in regular employment of like duration as mentioned in paragraph (3)(b) of regulation 89, the scheme manager must—
- (a) have regard to the factors in paragraph (4), no one of which is to be decisive; and
 - (b) disregard the factors in paragraph (5).
- (4) The factors mentioned in paragraph (3)(a) are—
- (a) whether M has received appropriate medical treatment in respect of the infirmity;
 - (b) such reasonable employment as M would be capable of engaging in if due regard is given to—
 - (i) M's mental capacity;

- (ii) M's physical capacity;
- (iii) M's previous training; and
- (iv) M's previous practical, professional and vocational experience, irrespective of whether or not such employment is available to M;
- (c) the type and period of rehabilitation it would be reasonable for M to undergo in respect of the infirmity, regardless of whether M has undergone the rehabilitation, having regard to—
 - (i) M's mental capacity; and
 - (ii) M's physical capacity;
- (d) the type and period of training it would be reasonable for M to undergo in respect of the infirmity, regardless of whether M has undergone the training, having regard to—

 - (ii) M's physical capacity;
 - (iii) M's previous training; and
 - (iv) M's previous practical, professional and vocational experience; and

- (5) The factors mentioned in paragraph (3)(b) are—
 - (a) M's personal preference for or against engaging in any particular employment; and
 - (b) the geographical location of M.
- (6) In this regulation—

“appropriate medical treatment” means such medical treatment as it would be normal to receive in respect of the infirmity, but does not include any treatment that the scheme manager considers—

 - (a) that it would be reasonable for M to refuse;
 - (b) would provide no benefit to restoring M's capacity for—
 - (i) discharging the duties of M's employment efficiently for the purposes of paragraph (2)(c) of regulation 89; or
 - (ii) engaging in regular employment of like duration for the purposes of paragraph (3) (b) of that regulation;
 - (c) that through no fault on the part of M, it is not possible for M to receive before M reaches normal pension age.

“permanently” means until M attains M's prospective normal pension age; and

“regular employment of like duration” has the same meaning as in regulation 89.

Annual rate of ill-health pension **N.I.**

- 91.—**(1) The annual rate of Tier 1 IHP payable to a member (M) is found by—
- (a) taking the amount of full retirement earned pension specified in M's pensioner member's account;
 - (b) subtracting the conversion amount (if any) specified in that account in relation to that amount; and
 - (c) adding the amount of accrued additional pension (if any) calculated in accordance with regulation 69(3)(b) less the conversion amount (if any) specified in the account in relation to the additional pension.

- (2) The annual rate of Tier 2 IHP payable to M is the sum of—
- (a) the annual rate of Tier 1 IHP; and

- (3) The Tier 2 addition is found by applying the following formula—

$$\frac{A \times (C + E)}{C} - A$$

where—

A is the aggregate of the amounts of all of M's pensions from pensionable service on the day after M's last day of pensionable service (L+1)—

- (i) disregarding any additional pension; and
- (ii) including any increases applied by virtue of the Pensions (Increase) Act (Northern Ireland) 1971 ^{M20};

C is the total period of pensionable service counted in days over which the pensions aggregated to find A were accrued; and

E is the period equal to 50% of the length of the period starting on L+1 and ending on M's prospective normal pension age, and any part of a day must be taken to be a whole day.

- (3) If at the end of the scheme year it is apparent that—

 - (b) no such reduction should have been made,the scheme manager must repay the amount due to the employed pensioner.

- (5) Paragraph (4) does not affect the right of the scheme manager to recover a payment or overpayment which is due.

M117 1999 c.30

M118 As established by the Health and Social Care (Reform) Act (Northern Ireland) 2009 (2009 c.1 (N.I.))

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations establish a career average re-valued earnings scheme for the payment of pensions and other benefits to and in respect of health service workers in Northern Ireland. Part 1 provides for the establishment of the scheme and for it to be known as the HSC Pension Scheme 2015.

Part 2 contains governance provisions.

Chapter 1 provides for the Department to be the scheme manager and allows for the delegation of the scheme manager's functions. It also establishes a Pension Board (and introduces Schedule 1, which makes further provision about that Board) and a Scheme Advisory Board (and introduces Schedule 2, which makes further provision about that Board).

Chapter 2 requires the appointment of a scheme actuary and provides for valuation of the Scheme.

Chapter 3 introduces Schedule 3, which provides for various administrative matters: scheme accounts and information; claims for, and payments of, benefits; interest on late payments; assignment, offset and forfeiture; insolvency of persons entitled to benefits; determination of questions; taxation.

Part 3 provides for scheme membership.

Chapter 1 deals with joining and leaving the Scheme and the relationship with wider automatic enrolment legislation, and introduces Schedule 4 (which provides for opting out of the Scheme).

Chapter 2 sets out who is eligible for membership of the Scheme, and introduces Schedule 5 (which provides for membership gateways) and Schedule 6 (which sets out other persons to whom membership of the Scheme may be extended).

Chapter 3 establishes the concepts of pensionable service and qualifying service, and set out how to treat certain absences from work and breaks in pensionable service.

Chapter 4 provides for the establishment and closure of a member's pension accounts in relation to membership of the Scheme, and how to calculate the amount of accrued pension under the Scheme. It also introduces Schedule 7 (which provides further detail on pension accounts).

Part 4 provides for the payment of contributions by members and employers and also the repayment of a member's contributions after short-service.

Chapter 1 deals with determination and payment of contributions and introduces Schedule 8 (which contains provisions for determining the income of medical and dental practitioners), Schedule 9 (which determines pensionable earnings for the purpose of setting contribution rates) and Schedule 10 (which provides for contribution payments for medical and dental practitioners).

Chapter 2 provides for refunds after short-service.

Chapter 3 provides for a facility to buy-out the actuarial reduction which is applied on taking a retirement pension earlier than normal pension age.
