

EXPLANATORY MEMORANDUM TO
The Common Agricultural Policy Basic Payment and Support Schemes
Regulations (Northern Ireland) 2015

2015 No. 191

1. Introduction

- 1.1. This Explanatory Memorandum has been prepared by the Department of Agriculture and Rural Development (the Department) to accompany the Statutory Rule (details above) which is laid before the Northern Ireland Assembly.
- 1.2. The Statutory Rule is made under section 2(2) of the European Communities Act 1972 and is subject to the negative resolution procedure.

2. Purpose

- 2.1. The Regulations allow for the implementation of Common Agricultural Policy (CAP) schemes in Northern Ireland from 2015 by providing legal definition to a number of administration arrangements established by the Department.
- 2.2. The Regulations establish Northern Ireland as a single region; set out procedures for the allocation of entitlements; provide further clarification on the application of the CAP 'negative list'; set the minimum size of an eligible holding; set the maximum total payment at Euro 150,000; list eligible 'rotation coppice' and 'nitrogen-fixing' crops; establish arrangements for young farmer and greening payments; set the cultivation period for crop diversification; and define environmentally sensitive permanent grassland and ecological focus areas.

3. Background

- 3.1. In June 2013, the Council of Ministers, the European Commission and the European Parliament reached political agreement on reforming the CAP post-2014. Member states are required to amend their CAP schemes in line with these reforms from 2015 onwards.
- 3.2. The Department is laying the above Regulations to ensure Northern Ireland is compliant with the amended CAP and allow the continued availability of CAP schemes here.

4. Consultation

- 4.1. Public consultation on major policy decisions regarding the implementation of CAP in Northern Ireland from 2015 was carried out between October 2013 and January 2014. The Minister for Agriculture and Rural Development announced final policy decisions in June 2014.

5. Equality Impact

- 5.1. These amendments have been screened using DARD's Equality and Human Rights Screening procedure. As we are satisfied that these amendments have no impact on equality or human rights, an Equality
