- (7) Where members have no rights under the scheme at a reference point referred to in paragraph (2), paragraph (4) is to be read as if the words “average of the reference point values” read “value of members’ rights under the scheme on the final day of the charges year or, if there are no members who have such rights on that day, on the final day on which there are members who have such rights.”.
- (8) In this regulation monthly, 2 monthly and 3 monthly intervals are to be treated as equal intervals.
- (9) Paragraph (10) applies where the charges imposed on the members include a performance fee payable at the end of the investment period.
- (10) For the purposes of paragraph (4), the charge imposed annually on the members in relation to the performance fee may be treated as X divided by Y, where—
- (a) X is the sum of the performance fees accrued in relation to the return earned by the assets in the scheme (“the relevant assets”) during the relevant charges year and each of the preceding charges years, up to a maximum of 4 preceding charges years, and
 - (b) Y is—
 - (i) 5, or
 - (ii) where the investment period is less than 5 charges years, the number of charges years in the relevant period.
- (11) Where the trustees choose to calculate the charge imposed annually on the members in accordance with paragraph (10), the trustees must, at the end of each charges year during the investment period, calculate—
- (a) the return earned by the relevant assets during that charges year;

Alternative assessment of charges [^{F63}- default arrangements]

8.—(1) If the trustees or managers make the choice under regulation 6(1) to assess charges in accordance with this regulation, the limit of permitted charges under—

- (a) a single charge structure, or
- (b) an existing rights charge in a combination charge structure,

is not exceeded, if on the first day of the charges year, the charges regime to be applied to the member's rights meets the requirement in paragraph (2) and that charges regime is applied to the member's rights throughout that charges year.

(2) The requirement referred to in paragraph (1) is that the charges regime would not result in charges being imposed on the member exceeding the limit of permitted charges when calculated in accordance with regulation 7, if the assumptions in paragraph (3) [^{F64}and, if the trustees or managers so choose, the assumption in paragraph (3A)] are made for the purposes of those calculations.

(3) The assumptions to be made for the purposes of paragraph (2) are—

- (a) the value of the member's rights under the default arrangement will not increase or decrease during the charges year when compared to the value on the first day of the charges year, other than as a result of charges imposed on the member, and
- (b) the member may leave the scheme at any time during that charges year.

[^{F65}(3A) The assumption which may be made for the purposes of paragraph (2) is that, where the charges include a performance fee to which regulation 7(10) applies, the charge to be imposed on the member in relation to the forthcoming charges year will be X divided by Y, where—

- (a) X is the sum of the performance fees accrued in relation to the return earned by the assets in the default arrangement during each of the years preceding the charges year in question, up to a maximum of 5 preceding charges years, and
- (b) Y is—
 - (i) 5, or
 - (ii) where the investment period is less than 5 charges years, the number of charges years in the relevant period.]

(4) In this regulation, “charges regime” means—

- (a) the charges to be imposed, and any rebates of charges to be applied, as a percentage of the value of the member's rights in the default arrangement;
- (b) when they are to be deducted from, or added to, the member's rights throughout the charges year;
- (c) how the value of the member's rights will be calculated for the purposes of imposing or rebating charges.

(5) Where the first contribution in relation to a member to the default arrangement is made after the first day of the charges year, paragraphs (1) and (3)(a) are to be read as if “on the first day of the charges year” read “on the date on which the first contribution is made in a charges year”.

(6) Where the trustees or managers make the choice under regulation 6(1) to assess charges in accordance with this regulation but, during the charges year the charges regime fails to meet the requirement in paragraph (2), the trustees or managers must assess charges for the whole charges year in accordance with regulation 7.

- (b) a collective existing rights charge in a collective combination charge structure,

is not exceeded if, on the first day of the charges year, the charges regime to be applied to members' rights under the scheme meets the requirement in paragraph (2) and that charges regime is applied to members' rights throughout that charges year.

(2) The requirement referred to in paragraph (1) is that the charges regime would not result in charges being imposed on the members exceeding the limit of permitted charges when calculated in accordance with regulation 7A, if the assumptions in paragraph (3) and, if the trustees so choose, the assumption in paragraph (4) are made for the purposes of those calculations.

Charge limits adjustment

10.—(1) The charge limits do not apply, on or after the adjustment date, to a member of a relevant scheme [^{F76}, that is not a collective money purchase scheme,] whose contributions are allocated to a default arrangement, in the circumstances set out in paragraph (2), if the conditions in paragraph (3) are met.

(2) The circumstances for the purposes of paragraph (1) are that—

- (a) the trustees or managers have used their best endeavours to comply with the charge limits in relation to one or more members of the default arrangement referred to in paragraph (1) but have determined that they are unlikely to be able to comply with those limits for one or both of the current and following charges years, or
- (b) an event happens which is outside the control of the trustees or managers, and the trustees or managers have used their best endeavours to mitigate the effect of the event on the scheme but they have determined that, because of that event, they are unlikely to be able to comply with the charge limits for the current or the following charges year in relation to one or more members of the default arrangement referred to in paragraph (1).

(3) The conditions referred to in paragraph (1) are that—

- (a) the trustees or managers have elected to implement an adjustment measure in relation to the default arrangement beginning on the adjustment date;
- (b) the trustees or managers have informed the persons listed in paragraph (4) at least one month before the adjustment date—

- (i) that the trustees or managers have determined that they are unlikely to be able to comply with the charge limits, in relation to one or more members of the default arrangement, for one or both of the current and following charges years, as applicable;
 - (ii) of the adjustment measure that will be implemented on the adjustment date, and
 - (iii) that the charge limits will no longer apply to members of the default arrangement on or after the adjustment date, and

- (5) In this regulation, the “adjustment date” means the date chosen by the trustees or managers on which the adjustment measure is to begin, and—
 - (a) if the circumstances in paragraph (2)(a) apply, must be a date falling within a period of 6 months beginning with the date on which this regulation comes into operation, or
 - (b) if the circumstances in paragraph (2)(b) apply, must be a date falling within a period of 6 months beginning with the date that the trustees or managers make the determination described in paragraph (2)(b).
- (6) In this regulation, the “adjustment measure” means a measure where—
 - (a) the trustees or managers shall no longer allocate future contributions of members of the scheme to the default arrangement, and will allocate future contributions of members of the default arrangement to another default arrangement within the scheme, or
 - (b) the trustees or managers shall no longer accept future contributions of members of the default arrangement into the scheme, and will not allocate the contributions of any other members of the scheme into that default arrangement.
- (7) In implementing the adjustment measure, the trustees or managers may decide to give the members described in paragraph (4)(b) the option to agree to continue to have their future contributions received by the scheme and allocated to the default arrangement after the adjustment date.
- (8) Where the trustees or managers have given to the members the option referred to in paragraph (7), the trustees or managers must inform the members described in paragraph (4) (b) of that option, and any such agreement by the member must be in writing and include an acknowledgement by the member that charges under the default arrangement may be higher than would otherwise be permitted under these Regulations.
- (9) Where a member is given the option referred to in paragraph (7) but does not agree to the option offered, that decision is not to be treated as being an action or omission by a jobholder for the purposes of section 6(4)(b) of the Pensions (No. 2) Act (timing of automatic re-enrolment).

RESTRICTIONS ON EARLY EXIT CHARGES

Textual Amendments

F99 Reg. 13A-13E inserted (1.10.2021) by [The Occupational Pension Schemes \(Administration, Investment and Charges and Governance\) \(Amendment\) Regulations \(Northern Ireland\) 2021](#) (S.R. 2021/272), regs. 1(1), **6(12)**

Early exit charges

13A.—(1) For the purposes of this Chapter an early exit charge in relation to a member of a relevant scheme is a charge which—

- (a) is imposed under the scheme or a relevant contract when a member who has reached normal minimum pension age takes the action mentioned in paragraph (2), and
- (b) is only imposed, or only imposed to that extent, if the member takes that action before the member’s normal pension age.

(2) The action is the member taking benefits under the scheme, converting benefits under the scheme into different benefits or transferring benefits to another pension scheme.

(3) For the purposes of this regulation—

- (a) “normal minimum pension age” has the meaning given in section 279(1) of the Finance Act 2004;
- (b) “normal pension age” means the earliest age at which, or the earliest occasion on which, the member is entitled to receive the benefit without adjustment for taking it early or late (disregarding any special provision as to early payment on the grounds of ill-health or otherwise and any administration charges), and
- (c) a reference to “benefits” includes any part or all of those benefits.

Prohibition of early exit charges

13B.—(1) This regulation applies to a member of a relevant scheme who joined that scheme on or after 1st October 2021.

(2) Service providers and trustees and managers of a relevant scheme must not impose an early exit charge, or permit such a charge to be imposed, on a member of the scheme to whom this regulation applies.

Limits on early exit charges

13C.—(1) This regulation applies to a member of a relevant scheme who joined that scheme before 1st October 2021.

(2) Service providers and trustees and managers of a relevant scheme must not impose, or permit to be imposed, on a member of the scheme to whom this regulation applies an early exit charge that exceeds the lower of—

- (a) 1% of the value of the member's benefits being taken, converted or transferred, or
- (b) such amount as was provided for under the scheme rules or a relevant contract as at 1st October 2021.

(3) Where no provision for an early exit charge was made under the scheme rules or a relevant contract as at 1st October 2021, service providers and trustees and managers of a relevant scheme must not impose an early exit charge, or permit such a charge to be imposed, on a member of the scheme to whom this regulation applies.

(4) Trustees and managers of a relevant scheme must not—

- (a) include provision in a relevant scheme for an early exit charge, where such provision did not exist on 1st October 2021, or
- (b) vary provision for an early exit charge in such a scheme to increase or potentially increase the charge.

(5) Nothing in this regulation permits an early exit charge to be imposed—

- (a) that is higher than the limits prescribed by regulation 6 where that regulation applies, or
- (b) where section 33 of the Pension Schemes Act (Northern Ireland) 2021 (prohibition on increasing charges etc during triggering event period) applies.

(6) Nothing in regulation 6 permits—

- (a) an early exit charge which is lower than 0.75% of the value of the member's benefits being taken, converted or transferred, to be increased, or
- (b) an early exit charge to be imposed where one did not exist.

(7) The value of a member's benefits in paragraphs (2)(a) and (6)(a)—

- (a) means the value calculated at the point when the trustee or manager of the scheme receives confirmation from the member of the instruction to take the action giving rise to the early exit charge, and
- (b) is to be calculated in accordance with guidance issued from time to time by the Department.

Conflicting contract terms

13D. Regulations 13B and 13C override any term of a relevant contract to the extent that the term conflicts with those regulations.

Status: Point in time view as at 01/08/2022.

13E.—(1) A service provider must confirm in writing to the trustees or managers of a relevant scheme that it is complying with the restrictions in regulations 13B and 13C within one month beginning with whichever is the later of—

- (a) 1st October 2021, or

(2) The service provider must inform the trustees or managers of the relevant scheme in writing if the confirmation that it has given in compliance with paragraph (1) is no longer accurate as soon as practicable, and in any event within one month, beginning with the date on which that confirmation is no longer accurate.]

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations impose obligations on trustees and managers of certain occupational pension schemes in relation to charges imposed by and governance of those schemes. They are the first regulations to be made under Schedule 18 to the Pensions Act (Northern Ireland) 2015 (“the 2015 Act”).

Part 1 contains interpretation provisions including definitions of “relevant scheme” (regulation 2) and “default arrangement” (regulation 3).

Part 2 contains restrictions on charges imposed on members of relevant schemes. With the exception of regulation 11 (non-contributing members), these restrictions apply to members with rights in the default arrangement of a relevant scheme.

Regulations 4 to 6 impose limits on the charges which can be imposed and prohibit certain charges. Regulations 7 and 8 provide alternative ways of assessing the charges imposed on a member.

Regulation 9 provides for a member to agree that services provided will not be covered by the provisions of these Regulations as long as certain conditions are met.

Regulation 10 allows trustees and managers to take action in relation to a default arrangement where, despite their best endeavours, they are unlikely to be able to comply with the charge limits.

Regulation 11 prohibits trustees and managers from imposing higher charges on members who are not contributing than they would on comparable members who are contributing to the pension scheme.

Regulation 12 makes amendments to the Stakeholder Pension Schemes Regulations (Northern Ireland) 2000 to provide that the provisions in these Regulations apply to stakeholder pension schemes, where appropriate.

Chapter 1 of Part 3 contains provisions relating to governance of relevant schemes by making amendments to the Occupational Pension Schemes (Scheme Administration) Regulations (Northern Ireland) 1997 (“the Administration Regulations”) and the Occupational Pension Schemes (Investment) Regulations (Northern Ireland) 2005. These provisions include the overriding of any provision in the trust deed or scheme rules which limits the choice of service providers (regulation 15). They also impose duties on trustees and managers to—

- appoint a chair of trustees or managers (regulation 16);
- prepare an annual statement of governance (regulation 17);
- process core financial transactions promptly and fairly (regulation 18);
- calculate and assess the value for money of charges and transaction costs (regulation 19), and
- prepare a statement of investment principles in relation to the default arrangement (regulation 20).

Chapter 2 of Part 3 contains additional governance requirements for multi-employer schemes (known as “master trusts”) by making further amendments to the Administration Regulations. This includes additional provisions for the annual statement (as set out in regulation 17), the appointment of trustees and the representation of members (regulation 22).

Regulations 13, 16(4) and 17(2) make consequential amendments to other regulations.

Regulation 23 provides that the third limb of the definition of “multi-employer scheme” which is inserted by regulation 21 and relates to schemes established by or under a statutory provision is omitted from 6th April 2016.

Part 4 contains compliance provisions in relation to the duties imposed by these Regulations.

As these Regulations, in so far as they are made under the Pensions (Northern Ireland) Order 1995 (“the 1995 Order”), the Pensions (Northern Ireland) Order 2005 (“the 2005 Order”) and the 2015 Act, make in relation to Northern Ireland only provision corresponding to provision contained in regulations made by the Secretary of State for Work and Pensions in relation to Great Britain, the requirement for consultation does not apply by virtue of Article 117(2)(e) of the 1995 Order, Article 289(2)(e) of the 2005 Order and paragraph 8 of Schedule 18 to the 2015 Act.

The Pensions (2015 Act) (Commencement No. 1) Order (Northern Ireland) 2015 (S.R. 2015 No. 307 (C. 25)) provides for the coming into operation of section 42 of, and Schedule 18 to, the 2015 Act, some of the enabling provisions under which these Regulations are made, on 16th July 2015.

Assessments of the impact of these Regulations are detailed in Regulatory Impact Assessments, copies of which have been laid in the Business Office and the Library of the Northern Ireland Assembly. Copies of the Assessments are available from the Department for Social Development, Social Security Policy and Legislation Division, Level 1, James House, 2-4 Cromac Avenue, Gasworks Business Park, Ormeau Road, Belfast BT7 2JA or from the website: http://www.dsdni.gov.uk/index/ssa/customer-information/ssa_pension_information.htm.
