

SCHEDULE 4

Regulations 12 and 13

INFORMATION TO BE INCLUDED IN INTERNAL AND EXTERNAL EMERGENCY PLANS

PART 1

INTERNAL EMERGENCY PLANS

1. An internal emergency plan shall include the following information—
 - (a) the name or position of—
 - (i) any person authorised to set emergency procedures in motion; and
 - (ii) the person in charge of and co-ordinating the mitigatory action within the establishment;
 - (b) the name or position of the person with responsibility for liaising with the Executive;
 - (c) for foreseeable conditions or events which could be significant in bringing about a major accident, a description of the action which should be taken to control the conditions or events and to limit their consequences, including a description of the safety equipment and the resources available;
 - (d) the arrangements for limiting the risks to persons within the establishment including how warnings are to be given and the actions persons are expected to take on receipt of a warning;
 - (e) the arrangements for providing early warning of the incident to the Executive, the type of information which should be contained in an initial warning and the arrangements for the provision of more detailed information as it becomes available;
 - (f) where necessary, the arrangements for training staff in the duties they will be expected to perform and, as appropriate, co-ordinating this with the emergency services;
 - (g) the arrangements for providing assistance with mitigatory action outside the establishment.

PART 2

EXTERNAL EMERGENCY PLANS

2. An external emergency plan shall include the following information—
 - (a) the name or position of—
 - (i) any person authorised to set emergency procedures in motion; and
 - (ii) any person authorised to take charge of and co-ordinate action outside the establishment;
 - (b) the arrangements for receiving early warning of incidents, and alert and call-out procedures;
 - (c) the arrangements for co-ordinating resources necessary to implement the external emergency plan;
 - (d) the arrangements for providing assistance with mitigatory action within the establishment;
 - (e) the arrangements for mitigatory action outside the establishment, including responses to major accident scenarios as set out in the safety report and considering possible domino effects, including those having an impact on the environment;
