The Genetically Modified Organisms (Contained Use) Regulations (Northern Ireland) 2015

PART 2

Risk Assessment and Notification of Contained Use

Review and recording of risk assessments

7.—(1) A person responsible for contained use shall ensure that the risk assessment is reviewed immediately where—

- (a) there is reason to suspect that the risk assessment is no longer valid; or
- (b) there has been a significant change in the contained use to which the risk assessment relates.

(2) A person responsible for contained use shall—

- (a) keep a record of the risk assessment and any review of the risk assessment, for at least 10 years from the date the contained use stops; and
- (b) make the record available to the competent authority when requested to do so.
