EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations implement, in respect of payments of pension levies under the Pensions (Northern Ireland) Order 2005 ([S.I. 2005/255 \(N.I. 1\)](#)) and regulations made under it, in respect of periods before the coming into operation of the Pension Protection Fund and Occupational Pension Schemes (Miscellaneous Amendments) Regulations (Northern Ireland) 2010 ([S.R. 2010 No. 32](#)) and the Occupational Pension Schemes (Levies) (Amendment) Regulations (Northern Ireland) 2010 ([S.R. 2010 No. 249](#)), the Decision of the European Commission [55/2007/EC](#) of 11th February 2009 (O.J. No. L242, 15.9.09, p.21) that the exemption from the payment of a levy to the Pension Protection Fund corresponding to the pension liabilities covered by a Crown guarantee constitutes State aid that is incompatible with the common market within the meaning of Article 107 of the Treaty on the Functioning of the European Union.

Regulation 2 modifies the effect of the Pensions (Northern Ireland) Order 2005 and regulations made under it so that the requirement to pay pension levies applies as if the amendments made by regulations 2, 3 and 8 of the Pension Protection Fund and Occupational Pension Schemes (Miscellaneous Amendments) Regulations (Northern Ireland) 2010 and regulation 2 of the Occupational Pension Schemes (Levies) (Amendment) Regulations (Northern Ireland) 2010 had always had effect including in respect of past periods before the coming into operation of those regulations.

Regulation 3 provides for interest to be calculated in accordance with Article 2 of the Decision of the European Commission [55/2007/EC](#) which requires any interest to be recovered as a result of unlawful State aid to be calculated pursuant to Chapter V of [Commission Regulation \(EC\) No. 794/2004](#) of 21st April 2004. [Commission Regulation \(EC\) No. 794/2004](#) implements Council Regulation (EC) No. 659/1999 (O.J. No. L83, 27.3.99, p.1) which provides that State aid to be recovered shall include interest at a rate fixed by the European Commission. [Commission Regulation \(EC\) No. 794/2004](#) provides for the method for fixing the interest rate, provides for publication of the rate and specifies in Article 11 that interest shall be applied on a compound basis, added at yearly intervals. The base rates are calculated in accordance with the Communication from the European Commission on the revision of the method for setting the reference and discount dated 19th January 2008 (O.J. No. C14, 19.1.08, p.6).

The Pensions (2015 Act) (Commencement No. 1) Order (Northern Ireland) 2015 ([S.R. 2015 No. 307 \(C. 25\)](#)) provides for the coming into operation of section 44 of the Pensions Act (Northern Ireland) 2015, one of the enabling provisions under which these Regulations are made, on 16th July 2015.
