STATUTORY RULES OF NORTHERN IRELAND

---

**2016 No. 54**

The Animals and Animal Products (Examination  
for Residues and Maximum Residue Limits)  
Regulations (Northern Ireland) 2016

**PART 5**

Miscellaneous

**Responsibilities of processors**

**29.** The owner of an establishment of initial processing of animal products shall, in respect of each animal or animal product brought into that establishment, ensure –

- (a) that it does not contain—
  - (i) a residue level which exceeds the maximum permitted limit;
  - (ii) any unauthorised substance or product or any unlicensed substance or product; and
- (b) any appropriate withdrawal period has been observed.

**Changes to legislation:**

There are currently no known outstanding effects for the The Animals and Animal Products (Examination for Residues and Maximum Residue Limits) Regulations (Northern Ireland) 2016, Section 29.
