
STATUTORY RULES OF NORTHERN IRELAND

2016 No. 54

The Animals and Animal Products (Examination
for Residues and Maximum Residue Limits)
Regulations (Northern Ireland) 2016

PART 5

Miscellaneous

Responsibilities of processors

29. The owner of an establishment of initial processing of animal products shall, in respect of each animal or animal product brought into that establishment, ensure –

- (a) that it does not contain—
 - (i) a residue level which exceeds the maximum permitted limit;
 - (ii) any unauthorised substance or product or any unlicensed substance or product; and
- (b) any appropriate withdrawal period has been observed.
