

SCHEDULES

SCHEDULE 5

Certification requirements

PART 2

Certification of pre-basic material

Verification of trueness to the description of the variety

7.—(1) The Department and, where appropriate, the supplier must regularly verify the trueness of pre-basic mother plants and pre-basic material to the description of their variety in accordance with paragraph 4(2) and (3), as appropriate for the variety concerned and the propagation method used..

(2) In addition to the regular verification of pre-basic mother plants and pre-basic material, the Department and, where appropriate, the supplier must, after each renewal of a mother plant, verify the pre-basic mother plants resulting from it.
