

SCHEDULE 8

Swiss plant passports

PART B

Relevant material imported into Switzerland from another third country which, if it would normally be permitted to be landed in Northern Ireland if accompanied by a phytosanitary certificate, may be accompanied by a Swiss plant passport or may be landed without phytosanitary documentation

10. Soil or growing medium, which consists in whole or in part of soil or solid organic substances such as parts of plants or humus, including peat or bark, other than that which is composed entirely of peat.
