

SCHEDULE 9

Requirements for plant passports

PART B

Requirements for plant passports permitted for certain relevant material in Schedule 6 or 7

5. An official label in respect of seeds of *Medicago sativa* L., must—
 - (a) comply with the requirements in Article 10(1)(a) of Council [Directive 66/401/EEC](#) on the marketing of fodder plant seed;
 - (b) contain the title “EU-plant passport”; and
 - (c) where the seeds are intended to be consigned to another part of the European Union, provide evidence that they have been officially examined to ensure that they comply with the requirements in items 28.I and 28.II of Section II of Annex IV Part A.
