References can be made to Form 2 – best interests statement.

Further sheets can be added if required.

6. Criteria for authorisation – risk of serious harm

Would failing to detain the person in circumstances amounting to a deprivation of liberty create a risk of serious harm to the person or of serious physical harm to other persons? **Yes / No** (delete as appropriate)

If yes, explain why the harm is considered serious.

If no, the person cannot be deprived of liberty.

Further sheets can be added if required

7. Criteria for authorisation – proportionate response to the likelihood and seriousness of the harm

Is the detention proportionate to:

the likelihood of the harm? **Yes / No** (delete as appropriate)

the seriousness of the harm? **Yes / No** (delete as appropriate)

If yes provide details below.

If no to either, the person cannot be deprived of liberty.

Explain both how likely it is that harm will occur should P not be deprived of liberty and how serious that harm would be.

Further sheets can be added if required

Explain why the detention is an appropriate response in these circumstances and why alternatives are not suitable.

Further sheets can be added if required

8. (Only for short-term detention) criteria for authorisation – illness / suspected illness

Does the person have an illness or a suspected illness? **Yes / No** (delete as appropriate)
If there is no illness or suspected illness a short-term detention authorisation cannot be made.

Provide details of the illness or suspected illness.

Further sheets can be added if required

9. Statement

Statement

I am unconnected with the person in section 1 and I am suitably qualified to make a medical report under the Mental Capacity Act (Northern Ireland) 2016.

In my opinion the criteria for authorisation are met and I have examined the person in section 1 no more than two days before the date on which this report was signed.
