regulation 1(2)*

The Department of Health ^{M1}, makes the following Regulations in exercise of the powers conferred by sections 25C(1), (3)(c), (4)(d) and 25F(2) of the Public Health Act (Northern Ireland) 1967 ^{M2}.

These Regulations are made in response to the serious and imminent threat to public health which is posed by the incidence and spread of severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2) in Northern Ireland.

The Department of Health considers that the restrictions and requirements imposed by these Regulations are proportionate to what they seek to achieve, which is a public health response to that threat.

In accordance with section 25Q of that Act the Department of Health is of the opinion that, by reason of urgency, it is necessary to make these Regulations without a draft having been laid before, and approved by a resolution of, the Assembly.
