

EXPLANATORY MEMORANDUM TO

The Business Tenancies (Coronavirus) (Restriction on Forfeiture: Relevant Period) (Northern Ireland) (No. 2) Regulations 2021

S.R. 2021 No. 185

1. Introduction

- 1.1. This Explanatory Memorandum has been prepared by the Department of Finance ("the Department") to accompany the Statutory Rule (details above) which is laid before the Northern Ireland Assembly.
- 1.2. The Statutory Rule is made under section 83(7) of the Coronavirus Act 2020 ("the 2020 Act") and is subject to the negative resolution procedure.

2. Purpose

- 2.1. Section 83 of the Coronavirus Act 2020 provides that a right of re-entry or forfeiture, under a relevant business tenancy, for non-payment of rent may not be enforced, by action or otherwise, during the relevant period.
- 2.2. "Relevant period" was originally defined in subsection (7) as the period starting with Royal Assent and ending with 30th June 2020 (or such later date as may be specified in regulations). The duration of the relevant period has been further extended since then to reflect the ongoing impact of the Covid-19 pandemic.
- 2.3. Regulation 1 of these Regulations provides for citation, commencement and interpretation.
- 2.4. Regulation 2 specifies "30th September 2021" for the purposes of the "relevant period" within section 83(7).
- 2.5. Regulation 3 revokes the previous Regulations, The Business Tenancies (Coronavirus) (Restriction on Forfeiture: Relevant Period) (Northern Ireland) Regulations 2021 that set the previous end date for the "relevant period".

3. Background

- 3.1. Forfeiture is a right to end a lease by a landlord at an earlier date than the lease would normally end because of some default by the tenant. The right to forfeit is a contractual right rather than a common law or statutory right and most contracts contain express provisions for forfeiture.
- 3.2. The Coronavirus Act 2020 Act provided that where non-payment of rent would usually enable a landlord to treat a lease as forfeited, that right would not be able to be exercised for a period of three months (up to 30th June 2020) with a power to extend if it is needed. The Act brought in this provision separately in England, Wales and Northern Ireland. This period for Northern Ireland was subsequently extended.
- 3.3. This amendment now extends the end date for the "relevant period" for Northern Ireland until 30th September 2021.

4. Consultation

- 4.1. These are emergency Regulations made in tandem with the Northern Ireland Executive's wider response to COVID-19 which necessitates a breach of the 21 day rule.
