

EXPLANATORY MEMORANDUM TO

The Health Protection (Coronavirus Restrictions) Regulations (Northern Ireland) 2021 (Amendment No.18) Northern Ireland 2021

S.R. 2021 No. 292

Introduction

- 1.1 This Explanatory Memorandum has been prepared by the Department of Health and is laid before the Northern Ireland Assembly to accompany the Health Protection (Coronavirus Restrictions) Regulations (Northern Ireland) 2021. (Amendment No.18) Regulations (Northern Ireland) 2021
- 1.2 The Statutory Rule is made under sections 25C(1), (3)(c), (4)(d) and 25 F(2) of the Public Health Act (Northern Ireland) 1967 (“the 1967 Act”) and is subject to the emergency procedure under section 25Q of that Act.

1. Purpose of the Regulations

- 1.1 The Rule amends the Health Protection (Coronavirus Restrictions) Regulations (Northern Ireland) 2021 (“the principal regulations”) by removing the requirement for social distancing in hospitality venues, to be seated when eating and drinking and the need to purchase a ticket in advance for outdoor events. It also permits the reopening of nightclubs and dancing in all venues.

2. Matters of special interest to the Northern Ireland Assembly

- 3.1 The Statutory Rule is made under the emergency procedure set out in section 25Q of the 1967 Act. The Regulations are made without a draft having been laid before, and approved by a resolution of, the Assembly. The Department of Health is in the opinion that, by reason of urgency, it is necessary to make these Regulations without a draft being so laid and approved so that public health measures can be introduced, amended or withdrawn in response to the latest risk assessment associated with the incidence and spread of the coronavirus disease.
- 3.2 These regulations come into effect at noon on 31st October and are available on the Department of Health Website. The Regulations cease to have effect at the end of 28 days beginning with the day on which the Statutory Rule is made unless, during that period, the Statutory Rule is approved by a resolution of the Assembly.
- 3.3 The need for the restrictions must be reviewed by the Department of Health within 6 months of their coming into operation.

3. Legislative Context

- 3.1 The 1967 Act and Regulations made under it provide a legislative framework for health protection in Northern Ireland.

- 3.2 Part 1A of the 1967 Act, as inserted by the Coronavirus Act 2020 (“the 2020 Act”), provides a legal basis to protect the public from threats arising from infectious disease or contamination with coronavirus, and includes powers to 2 impose restrictions or requirements on people, and in relation to things and premises, for use in rare circumstances where voluntary cooperation cannot be obtained. Overall, Part 1A of the 1967 Act sets out a framework for health protection which requires much of the detailed provisions to be delivered through regulations.
- 3.3 Section 25C of the 1967 Act provides a power for the Department of Health to make regulations to prevent, protect against, control or provide a public health response to the incidence or spread of infection or contamination with coronavirus in Northern Ireland. The threat can come from outside Northern Ireland.
- 3.4 These Regulations are made under section 25C to enable public health measures to be introduced, amended or withdrawn in respect of the public health risks posed by the incidence and spread of coronavirus disease.

4. **Policy background**

- 5.1 The temporary modifications to the 1967 Act made by the Coronavirus Act 2020 provide regulation making powers that were previously not available in Northern Ireland.
- 5.2 There has been a gradual decrease in COVID-19 cases since the high point of early January, following the spike which was a result of pre-Christmas relaxations. Restrictions have been in place since late December to prevent further spread of the virus. More than 2,000 people have died as a result of Covid-19 in Northern Ireland, and the health service has been under extreme and sustained pressure. However with the combination of reducing case numbers and the success of the vaccination programme, the Executive produced a ‘Pathway to Recovery’ document, outlining the plan to gradually exit out of the current restrictions.
- 5.3 The Health Protection (Coronavirus, Restrictions) Regulations (Northern Ireland) 2021 offer a clear platform for the multiple sets of relaxation amendments that are expected, via the Executive’s pathway to recovery plan, of which is this is one
- 5.4 The Health Statutory Rule amends the principal regulations, as follows:
- a. removing the requirement to be seated when eating or drinking indoors in a hospitality venue;
 - b. removing restriction on social distancing in indoor hospitality venues;
 - c. permitting the reopening of nightclubs;
 - d. permitting dancing in all venues; and
 - e. removing the requirement for a ticket to be purchased in advance for an outdoor event.
