EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Health and Social Care Pension Scheme Regulations (Northern Ireland) 2015 ([S.R. 2015 No.120](#)) (“the 2015 Regulations”).

They amend contribution rates paid by members towards their pension and create new pensionable earning bands and contribution rates to be paid by members from 1 November 2022.

They also provide a mechanism for the pensionable earnings bands that determine a member’s contribution rate to be updated and amended annually, make changes in relation to the assessment of the tiered contribution rate for part-time employed members based on their actual annual rate of pay rather than the notional whole-time equivalent and remove reference to the notional whole time equivalent, and set out how a member’s pensionable earnings are to be determined for the purposes of setting their contribution rate for the scheme year.
