**Rates (Small Business Hereditament Relief) (Amendment) (No. 2) Regulations**  
**(Northern Ireland) 2022**

**1. Introduction**

- 1.1. This Explanatory Memorandum has been prepared by the Department of Finance ("the Department") to accompany the Statutory Rule (details above) which is laid before the Northern Ireland Assembly.
- 1.2. The Statutory Rule is made under Article 31C of the Rates (Northern Ireland) Order 1977 (S.I. 1977/2157 (N.I. 28) ("the 1977 Order") and is subject to the negative resolution procedure.

**2. Purpose**

- 2.1. These Regulations amend the Rates (Small Business Hereditament Relief) Regulations (Northern Ireland) 2010 ("the 2010 Regulations) so as to provide rate relief in respect of eligible small business hereditaments to 31st March 2024.
- 2.2. Regulation 1 contains the citation and commencement provisions.
- 2.3. Regulation 2 amends the definition of "qualifying year" in the 2010 Regulations. This will now be defined as a financial year ending before the 1st April 2024.

**3. Background**

- 3.1. Provision was made in the Rates (Amendment) Act (Northern Ireland) 2009 enabling a small business rate relief scheme to be introduced on 1st April 2010.
- 3.2. This Statutory Rule extends the scheme for the 2023/24 rating year.

**4. Consultation**

- 4.1. The Department concluded a fundamental review of business rates in 2019 and continues to assess the findings of that review in light of the implications of the Covid-19 pandemic on the rating system. The Department continues to commission work with the Ulster University's Economic Policy Centre to assess the legacy impacts of the pandemic both on the rating system specifically, and wider economy more generally, and to analyse the current impact of the global energy crisis on businesses here.
- 4.2. This Statutory Rule extends the scheme for the 2023/24 rating year and is made to provide forward certainty for businesses due to the cost of living crisis.

**5. Equality Impact**

5.1. This Statutory Rule retains the existing policy within the rating system and creates no new equality implications.

## **6. Regulatory Impact**

6.1. Due to the automated nature of the scheme the amendment made by this Statutory Rule will add no additional cost to businesses in receipt of the relief.

## **7. Financial Implications**

7.1. It is estimated that in 2023/24 around £20M in rate revenue will again be foregone as a result of the small business rate relief scheme.

## **8. Section 24 of the Northern Ireland Act 1998**

8.1. The Department of Finance considers the Regulations to be compatible with section 24 of the Northern Ireland Act 1998.
