

SCHEDULE 3

Regulation 4

Notice relating to local producer's licence – sales not on licensed premises

It is an offence to consume intoxicating liquor, purchased in this place, at this place.

It is an offence to sell, or make available for purchase, intoxicating liquor in this place unless:

- (a) it is produced in the production premises of the licence holder;
- (b) it is for consumption away from this place; and
- (c) it is ancillary to an event being held at this place, which is open to the public and in relation to which each of the following three conditions is satisfied:
 - (i) the Department for Communities has published a statement that this event is being held to promote food, drink or craftwork produced in Northern Ireland or relates to agriculture in Northern Ireland and is of importance to this area of Northern Ireland;
 - (ii) a senior local police officer has given written approval to the organiser of the event that intoxicating liquor may be sold at this event for consumption away from this place; and
 - (iii) a senior police officer has provided written approval to the holder of a local producer's licence for the sale by the holder, or a servant or agent, of intoxicating liquor at this event in accordance with Article 52D.

It is an offence to provide a sample* to any person which exceeds:

Table.

Intoxicating Liquor	Amount
Beer – up to and including 6% ABV**	852 mls
Beer – above 6% ABV	568 mls
Cider – up to and including 6% ABV	852 mls
Cider – above 6% ABV	568 mls
Spirits	105 mls
Liqueur	210 mls

*A sample of intoxicating liquor is an amount (whether in one serving or more) which does not exceed the amount of each type set out in the Table(a).

**ABV = Alcohol by Volume
