## SCHEDULE

Regulation 3

### Formula

1. In respect of the year ending on 31st March 2024 and each subsequent year, in making the district rates referred to in regulation 2, a district council shall consider whether to make a capital value district rate in accordance with the formula—

$$A = B \times C$$

where—

A is the capital value district rate;

B is the net annual value district rate; and

C is the conversion factor for that council as set out in Table 1.

2. In paragraph 1—

“capital value district rate”, in relation to a district council, means a district rate made by that council on the rateable capital values of hereditaments in the district;

“net annual value district rate”, in relation to a district council, means a district rate made by that council on the rateable net annual values of hereditaments in the district.
