1926. No. 22.

(1) The date on or before which each education authority shall in each local financial year submit to the Ministry a financial scheme (herein referred to as "the scheme") in a form prescribed by the Ministry shall, except in the case of an education authority being the council of a county borough, be the 15th day of December in each year, but in the case of an education authority being the council of a county borough, shall be the 15th day of January in each year, and the scheme shall show the amount of the estimated expenditure and receipts of the education authority during the next ensuing financial year beginning 1st April; save that in exceptional circumstances the submission of a scheme may, with the special consent of the Ministry, be deferred to such later date as the Ministry may determine in each particular case.

(2) Each scheme shall contain information sufficient to enable the Ministry to determine the full scope and nature of the services which the education authority proposes to undertake and the amount of expenditure involved.

(3) The grant payable to an Education Authority under these Regulations in respect of an approved financial scheme shall, for the local financial year ending 31st March, 1927, be such proportion of the approved expenditure as is represented by two-thirds of the amount of the approved expenditure remaining after deducting therefrom the following:—

- (b) Grants received from any other Department of the Government of Northern Ireland in aid of expenditure included in the gross expenditure-*aforsaid*.
- (c) Income from fees received from pupils.

- (f) Contributions payable by the Education Authority under any scheme or schemes for the superannuation of teachers framed under Section 70 of the Act.

Provided that—

(i) The maximum grant payable by the Ministry shall not in any case exceed an amount equal to two-thirds of the sum that would be realisable by a rate of 1/- in the pound on the rateable value of the area of the Education Authority to which the grant is payable.

(ii) Where an Education Authority by reason of its own default in any year has not obtained any grant or aid which in the absence of such default would have been received by the Education Authority, then and in every such case such grants or aids shall, for the purpose of calculating the grant payable under these regulations, be brought into consideration and deducted from the approved expenditure as if they had actually been obtained by the Education Authority.

(iii) Where payment of grants received from the Ministry or from any other Department of the Government of Northern Ireland has been postponed from one financial year to another, the Ministry shall make such adjustments as may seem to it proper.

(4) For the purpose of these regulations the expression "education authority" includes the Council of an urban county district which is making separate provision by virtue of the provisions of Part IV. of the Act for technical instruction in that district in accordance with a financial scheme approved by the Ministry.

(5) The grants payable under Regulation (3) shall be paid by the Ministry in such portions and at such times as the Ministry may think proper.

(6) These Regulations shall only apply to grants payable in respect of the financial year ending 31st March, 1927.

(7) In case of doubt or dispute as to the meaning and effect of any of these Regulations the decision of the Ministry thereon shall be final.
