

13. *Cellulose solutions* or *inflammable liquids* containing more than fifteen per cent. by weight of benzene shall not be procured or stored otherwise than in receptacles legibly marked as containing benzene.

14. The occupier shall allow any Inspector of Factories appointed by the Ministry to take at any time sufficient samples for analysis of any substances which the Inspector may have reason to believe to be *cellulose solutions* or *inflammable liquids*. The Inspector shall, at the time any such sample is taken, divide the sample into two parts and seal and deliver to the occupier, in a suitable receptacle, one such part. The result of an analysis made under these Regulations shall not be published or disclosed to any person, except in so far as is necessary for the purpose of a prosecution for an offence under these Regulations.

PART II.—DUTIES OF PERSONS EMPLOYED.

15. No person shall smoke in any room in which a *cellulose cabinet* is situated or in any *cellulose space*, or in any *store-room*, or within 20 feet of any *store-room* or storage tank unless he is effectively separated from the *store-room* or tank by *fire-resisting material*. All persons employed shall observe the requirements of Regulation 5 (a).

16. Any person using cotton waste, cleaning rags or similar material shall comply with the requirements of Regulation 7.

17. Every person who is engaged in the manipulation or use of a *cellulose solution* or *inflammable liquid* shall make full and proper use of the ventilating and other appliances as provided for the purposes of these Regulations, shall report forthwith to the owner, occupier, manager or other responsible person any defect in the same, and shall observe such directions as may be given to him with a view to carrying out these Regulations.
