SCHEDULE.

In pursuance of Sections 70 and 71 of the Education Act (Northern Ireland), 1923, the Ministry of Finance, after consultation with the Ministry of Education, hereby frames the following Scheme for amending the Public Elementary School Teachers Superannuation Scheme, 1926, as amended by the Compensated Model School Teachers Superannuation Scheme, 1927, the Compensated Model School Teachers Superannuation (Amendment) Scheme, 1927, and the Teachers (Public Elementary) Superannuation (Amendment) Scheme, 1930, and all such Schemes are hereinafter referred to as "The Principal Scheme as amended."

1. Save as provided in Article 4 hereof this Scheme shall apply to all full-time teachers in public elementary schools in Northern Ireland to whom the Principal Scheme as amended applies.

2. There shall be granted to a teacher who retires after having served for not less than one year, and who is eligible for the award of a pension or gratuity under the Principal Scheme as amended, in addition to such pension or gratuity a lump sum (hereinafter referred to as "the additional allowance") equal to one-thirtieth of the average annual salary computed as in the Principal Scheme as amended multiplied by the number of years of service which he has completed from the 1st day of July, 1936, so, however, that the additional allowance shall in no case exceed one and a half times the average annual salary.

3. The expression "pension" in the Principal Scheme as amended unless the contrary intention is apparent shall be deemed to include the additional allowance.

4. There shall be deducted from every payment of salary accruing due to a teacher from the 1st day of July, 1936, a contribution of one per cent. supplemental to the contribution deductible under the Principal Scheme as amended, provided that any teacher employed in teaching service before that date or temporarily out of the service at that date may elect within such period as may be determined by the Ministry not to pay this additional contribution, in which case the provisions of this Scheme shall not apply to him.

5. Notwithstanding the foregoing provisions of this scheme the Ministry may, in the case of any teacher who retires between the 1st day of July, 1936, and the 30th day of June, 1941, admit for the purpose of calculating the additional allowance periods of less than a completed year of service but not less than a complete calendar month.

6. This scheme may be cited as the Teachers (Public Elementary) Superannuation (Amendment) Scheme, 1936.
