B. FEMALE WORKERS

The general minimum piece rates for female workers employed on operations or items not mentioned in paragraph 14 of this Schedule but included in the Statement of Time Allowances referred to in sub-paragraph A of this paragraph shall be—

Two-thirds of the appropriate general minimum piece rates for male workers as specified in sub-paragraph A of this paragraph.

PARAGRAPH 16.

In the case of male or female workers employed on piece work, each piece rate paid must be such as will yield, in the circumstances of the case, to an ordinary worker, at least the same amount of money as the appropriate piece work basis time rate. In determining whether any piece rate satisfies the foregoing condition regard shall be had only to the earnings of workers of ordinary skill and experience in the class of work in question and not to the earnings of workers of less than ordinary skill and experience.

PARAGRAPH 17.

In the case of workers employed on operations to which the general minimum piece rates specified in paragraphs 14 and 15 of this Schedule apply, piece rates calculated to yield, in the circumstances of the case, to an ordinary worker, at least the same amount of money as the appropriate piece work basis time rate, shall be held to include all such general minimum piece rates.

For all time worked in excess of 44 hours —TIME-AND-A-HALF, except in so far as a higher overtime rate may be payable under the provisions of sub-paragraph (iii) of this paragraph.

Provided that where it is or may become the established practice of the employer to require attendance on Saturday in alternate weeks only, the said overtime rate shall be payable in the week in which attendance on Saturday is required only after 46 hours have been worked.

B. WORKERS EMPLOYED ON PIECE WORK :---

Workers employed on piece work shall be entitled to receive in respect of each hour of overtime worked, IN ADDITION to piece rates each of which would yield, in the circumstances of the case, to an ordinary worker, at least the same amount of money as the appropriate piece work basis time rate, an amount equal to one-half or the whole of the appropriate piece work basis time rate, according as the overtime rate which would have been payable under the provisions of sub-paragraph A of this paragraph, if the worker had been employed on time work, would have been equivalent to TIME-AND-A-HALF or DOUBLE TIME, respectively.

PARAGRAPH 19.

The expression " customary holiday " means-

(i) Christmas Day (or, if Christmas Day falls on a Sunday, such other weekday as may be appointed by national proclamation or, if none is so appointed, the next following Tuesday), Boxing Day, Easter Monday, Easter Tuesday, and two other days (being days on which the worker normally works) in the course of a calendar year to be fixed by the employer and notified to the worker not less than twenty-eight days before the holiday; or
