(b) if the manager furnishes to the Ministry, as soon as is reasonably practicable, full particulars of the equipment, its estimated cost and a statement of the circumstances in which its immediate provision was considered necessary.

4. For Regulation 7 of the existing Regulations there shall be substituted the following :—

Where expenditure on the provision of equipment becomes necessary because of loss or damage caused by the action of any person not acting with the permission of, or under the control of, the managers and it appears that such expenditure or part thereof is recoverable from any person other than the managers, the Ministry shall not pay grant unless it is satisfied that the managers, having made all reasonable efforts to do so, have been unable to secure recovery of an amount which, after the payment of any other sums properly payable out of the amount recovered, is sufficient to meet

the full cost of making good such loss or damage, and in that event the Ministry may pay grant in respect of the amount by which such expenditure on the provision of equipment exceeds the net amount available to the managers for that purpose out of the amount so recovered.
