EXPLANATORY NOTE

(This Note is not part of the Regulations, but is intended to indicate their general purport.)

Section 2 of the Health Services Act (Northern Ireland), 1958, provided, *inter alia*, that certain employees of the Northern Ireland Tuberculosis Authority should, on the winding up of that body with effect from 1st April, 1959, transfer to the service of health authorities on the same terms and conditions as to the award of superannuation benefits as applied to them prior to transfer. These amending regulations make minor alterations in the Northern Ireland Local Government Officers' Superannuation Scheme necessary in order to meet this requirement.
