(2) Notwithstanding as aforesaid, if a person is not resident in Northern Ireland immediately before the said 3rd April but that person is entitled to a guardian's allowance in respect of a child immediately before that date, any person who would otherwise be entitled to any additional guardian's allowance in respect of that child shall be disqualified for receiving any additional guardian's allowance in respect of that child unless and until the child becomes (or is) included in the family of a person who is resident in Northern Ireland.

(3) For the purposes of this regulation, references to additional benefit of any description are to be construed as referring to additional benefit of that description by virtue (either directly or indirectly) of any provision of the Act of 1960 or of these regulations.

(4) The disqualifications for the receipt of additional benefit contained in this regulation shall not apply—

- (a) to a person for any period during which he is in Northern Ireland; or
- (b) to a woman who, immediately before the said 3rd April, is entitled to a retirement pension by virtue of her own insurance or to a retirement pension by virtue of her husband's insurance, in relation to a retirement pension by virtue of her husband's insurance, or to a retirement pension by virtue of her own insurance, as the case may be, to which she thereafter becomes entitled.

(5) For the purposes of this regulation, a person shall be treated as entitled to any benefit immediately before the said 3rd April if he would then have been so entitled but for any one or more of the following causes, namely:

- (e) the absence of any child from Northern Ireland; or
- (f) the provisions of sub-section (4) of section 20 of the principal Act (which relates to the disentitlement of a woman to more than one retirement pension for the same period).

(6) For the purposes of any disqualification contained in this regulation for the receipt of additional retirement pension by virtue of her husband's insurance, a retirement pension by virtue of a widow's own insurance to which she becomes entitled by virtue of paragraph (b) of sub-section (1) of

section 2 of the National Insurance Act (Northern Ireland), 1957(a) (which paragraph provides that in certain cases a widow may have account taken of her husband's contributions in calculating the yearly average of the contributions paid by or credited to her for the purpose of her right to a retirement pension by virtue of her own insurance) shall be treated as if it were a retirement pension by virtue of her husband's insurance.

Child's allowance for certain children outside Northern Ireland

26. The amount of a child's allowance which is or becomes payable under regulation 17(b) of the National Insurance (General Transitional) Regulations (Northern Ireland), 1948, or under paragraph (4) of regulation 6(c) of the Existing Contributors Regulations (both of which provisions relate to child's allowance for certain children outside Northern Ireland) shall not be affected by the passing of the Act of 1960 or the making of these regulations.

Transitory provisions

27.—(1) The rate of a person's unemployment benefit or sickness benefit for the 3rd, 4th or 5th April, 1961, payable by virtue of section 25 of the principal Act (which relates to unemployment and sickness benefit for persons over pensionable age and regulates the rate of benefit in such cases by reference to the rate of retirement pension) shall be determined as if the day as from which higher rates of retirement pension are payable by virtue of the foregoing provisions of these regulations were the 6th April, 1961.

(2) In the case of a person to whom injury benefit under the National Insurance (Industrial Injuries) Act (Northern Ireland), 1946(d), is payable for the 5th April, 1961, at a reduced rate by virtue of the provisions of section 29 of that Act (which relates to adjustments for successive accidents), the rate of any sickness benefit payable shall be determined as if the day as from which higher rates of sickness benefit are payable by virtue of the foregoing provisions of these regulations were the 5th April, 1961.

(3) Where—

- (a) as respects any period beginning on or after the 3rd April, 1961, the 5th April, 1961, or the 6th April, 1961, as the case may be (hereafter in this regulation referred to as "the appropriate date") it is a condition of a person's right to an amount by way of benefit in respect of a child or an adult dependant that he is contributing to the cost of providing for that child, or to the maintenance of that adult dependant, at a weekly rate calculated by reference to the weekly rate of that amount, and that weekly rate was increased on the appropriate date by virtue (either directly or indirectly) of any provision of the Act of 1960 or any regulation made in consequence of that Act; and
- (b) as respects any period ended before the appropriate date that person satisfied the said condition by reference to the weekly rate of benefit then in force;

that person shall, for the purpose of his right to the amount in question, be treated as if, in any period referred to in sub-paragraph (b) of this paragraph, he had satisfied the said condition by reference to the increased weekly rate.

(d) 1946. c. 21.

(4) An amount by way of widowed mother's allowance the right to which is conditional on the widow's contributing to the cost of providing for a child at a specified rate shall be deemed to be benefit to which paragraph (3) applies, and for this purpose references in that paragraph to the weekly rate of benefit or of an amount by way thereof shall include references to that specified rate.

PART I

Regulation 7 (1)

PARAGRAPH (3) OF REGULATION 9 OF THE EXISTING BENEFICIARIES REGULATIONS, AS AMENDED

(3) A retirement pension to which an existing old age pensioner, or an existing widow pensioner who had attained pensionable age on the appointed day, becomes entitled by virtue of these regulations shall be at the rate of the pension to which that person would, but for the repeal of the Contributory Pensions Acts (and apart from any disqualification), have been entitled under or by virtue of those Acts and the Increase of Pensions Regulations, or in the case of a woman in receipt of an old age pension by virtue of her insurance as a special voluntary contributor as defined in sub-section (5) of section 1 of the Contributory Pensions Act of 1937, at the rate of the pension to which she would have been so entitled if the said regulations had applied in her case:

Provided that, as from the 3rd April, 1961—

- (a) where the rate of retirement pension payable by virtue of the foregoing provision of this paragraph is the full weekly rate of twenty-six shillings or sixteen shillings, as the case may be, there shall be substituted therefor the rates of *fifty-seven shillings and sixpence* and *thirty-five shillings* respectively;
- (b) where the rate of retirement pension so payable is less than the full weekly rate of twenty-six shillings or sixteen shillings (being one of the rates specified in columns (2) and (4) of the Third Schedule to these regulations to which

*The words and figures substituted or added by these regulations are shown in italics.

it was (or would as aforesaid have been) increased by the Increase of Pensions Regulations from the appropriate rate previously applicable (under or by virtue of the Contributory Pensions Acts) as specified in column (1) of that Schedule) there shall be substituted therefor the increased rate appropriate to the circumstances of the case specified in column (3) or column (5) of that Schedule; and

- (c) where the rate of retirement pension so payable is calculated by reference to the provisions of section 14 of the Contributory Pensions Act of 1939, now repealed (which provided for modified widows' and old age pensions if certain dependants war pensions were payable), that method of calculation shall continue subject to the substitution of any increased rate ascertained in accordance with the foregoing provisions of this proviso for the rate of widow's or old age pension which (apart from the provisions of that section) was payable immediately before the appointed day.

PART II

Regulation 8 (1)

REGULATION 10 OF THE EXISTING BENEFICIARIES REGULATIONS, AS AMENDED

Rates of increases in respect of adult dependants, and of retirement pensions for certain wives of existing beneficiaries

10.—(1) Where the rate of retirement pension to which an existing old age pensioner, being a man (other than one to whom the next succeeding paragraph applies), is entitled by virtue of these regulations is at a rate less than *fifty-seven shillings and sixpence* a week, that is to say at one of the rates set out in the first column of the Second Schedule to these regulations,—

- (a) any increase in respect of an adult dependant; and
 (b) any retirement pension for his wife by virtue of his insurance, if she had not attained pensionable age at the appointed day;

shall be at the appropriate rate set opposite to that rate in the second column of that Schedule.

(2) In the case of an existing old age pensioner to whom the provisions of sub-section (3) of section 14 of the Contributory Pensions Act of 1939 applied (which sub-section provided for modified old age pensions where certain dependants war pensions were payable) any increase in respect of an adult dependant and any retirement pension for his wife by virtue of his insurance, if she had not attained pensionable age at the appointed day, shall be at the same rate as that at which an old age pension would, but for the repeal of the Contributory Pensions Acts, have been payable to her under those Acts, and the Increase of Pensions Regulations:

Provided that:

- (a) as from the *3rd April, 1961*, the method of calculation of any retirement pension by reference to the said sub-section (3) shall continue subject to the application thereto of the provisions of paragraph (c) of the proviso to paragraph (3) of regulation 9; and
 (b) in the case of an increase in respect of an adult dependant other than his wife, the rate shall be the same as that at which an old age pension would have been so payable to that dependant had she been his wife.

PART III

Regulation 11 (1)

PARAGRAPH (4) OF REGULATION 11 OF THE EXISTING CONTRIBUTORS REGULATIONS, AS AMENDED

- (4) (a) A widow to whom the provisions of sub-section (2) of section 14 of the Contributory Pensions Act of 1939 (which sub-section provided that certain pensions should not be payable if a dependants war pension was

payable) applied immediately before the appointed day, and who on attaining pensionable age is in receipt of a dependants war pension at a rate of less than *fifty-seven shillings and sixpence* a week may, where she fails to satisfy the conditions of sub-paragraph (a) or (b) of paragraph (1) of regulation 5, elect that the provisions of regulation 10 shall not apply to her, and in that event the provisions of this regulation shall apply in her case, subject to the qualification that if the total amount of the weekly rates of the retirement pension and the dependants war pension exceeds *fifty-seven shillings and sixpence*, the weekly rate of the retirement pension shall be reduced by the sum by which the total amount exceeds *fifty-seven shillings and sixpence*; and

- (b) the provisions of this regulation shall also apply to any widow who would, but for the provisions of section 24 of the Contributory Pensions Act of 1936 (which section related to disqualification for cohabitation), have been entitled immediately before the appointed day to a widow's pension under that Act, and who fails to satisfy the conditions of the said sub-paragraph (a) or (b), if when she attains the age of sixty she is not cohabiting with a man as his wife.

PART IV

Regulation 12 (1)

REGULATIONS 3, 4 AND 5 OF THE HOSPITAL IN-PATIENTS REGULATIONS,
AS AMENDED

Personal benefit

3.—(1) Where the conditions for the receipt of personal benefit by way of sickness benefit, widow's allowance, widowed mother's allowance, widow's pension or retirement pension are satisfied in relation to any person who receives, or has received, continuously, for a period exceeding eight weeks, free in-patient treatment, the weekly rate of that personal benefit which, but for the provisions of these regulations, would be payable for any period after the first eight weeks of that treatment shall be reduced subject to and in accordance with the following provisions of these regulations.

(2) In any case in which the provisions of paragraph (1) of this regulation apply in relation to any of the said personal benefits, the weekly rate of any reduction of that personal benefit shall, subject to the provisions of paragraph (4) of this regulation, be determined, for any part of the period of free in-patient treatment which occurs during the forty-four weeks next following the first eight weeks thereof, in accordance with the provisions of regulation 4, and, for any part of the period of that treatment which occurs after the first fifty-two weeks thereof, in accordance with the provisions of regulation 5.

(4) In any case where a reduction of personal benefit at a rate determined in accordance with the provisions of regulation 4 or paragraph (2) or paragraph (3) or sub-paragraph (d) of paragraph (4) of regulation 5 would reduce the rate of that personal benefit, where the beneficiary is a tuberculosis patient, to less than *sixteen shillings and sixpence* a week, or, in any other case, to less than *eleven shillings and sixpence* a week, the reduction of that personal benefit shall not be as so determined but shall be such (if any) as will reduce the rate of that personal benefit, where the beneficiary is a tuberculosis patient, to *sixteen shillings and sixpence* a week, or, in any other case, to *eleven shillings and sixpence* a week.

4. Where, by virtue of the provisions of paragraph (2) of regulation 3, the weekly rate of any reduction of personal benefit is to be determined for any period in accordance with the provisions of this regulation, that reduction shall be,—

- (a) for any part of that period during which the beneficiary has a dependant, at the rate of *eleven shillings and sixpence* a week; and
(b) for any other part of that period, at the rate of *twenty-three shillings* a week.

5.—(1) Where, by virtue of the provisions of paragraph (2) of regulation 3, the weekly rate of any reduction of personal benefit is to be determined for any period in accordance with the provisions of this regulation, that reduction shall, subject to the following provisions of this regulation, be such (if any) as will reduce the rate of that personal benefit, where the beneficiary is a tuberculosis patient, to *sixteen shillings and sixpence* a week, or, in any other case, to *eleven shillings and sixpence* a week.

(2) For any part of the period referred to in paragraph (1) of this regulation during which the beneficiary has a dependant and in respect of which an application has been made by the beneficiary to the Ministry to pay on behalf of the beneficiary to that dependant, or to some other person who is approved by the Ministry and satisfies the Ministry that he will apply it for the benefit of that dependant, so much (if any) of the personal benefit as would, but for the provisions of these regulations, be payable to the beneficiary in excess, where the beneficiary is a tuberculosis patient, of *twenty-eight shillings* a week, or, in any other case, of *twenty-three shillings* a week, the reduction of personal benefit shall be at the rate of *eleven shillings and sixpence* a week.

(3) (a) For any part of the period of free in-patient treatment which falls within the period of fifty-two weeks next following the first fifty-two weeks thereof, and during which the beneficiary has not a dependant or, if the beneficiary has a dependant, in respect of which any such application as is mentioned in paragraph (2) of this regulation has not been made, the reduction of personal benefit shall, subject to the provisions of the next following sub-paragraph, be at the rate of *twenty-three shillings* a week.

(b) In addition to the reduction of benefit specified in the last foregoing sub-paragraph, so much (if any) of the personal benefit as would, but for the provisions of these regulations, be payable for the said part of the said period in excess, where the beneficiary is a tuberculosis patient, of *thirty-nine shillings and sixpence* a week, or, in any other case, of *thirty-four shillings and sixpence* a week, shall not be payable unless and until the beneficiary is discharged from the hospital or similar institution.

(4) In relation to any beneficiary who is married, the foregoing provisions of this regulation shall have effect subject to the following provisions:

(a) If the husband or wife of the beneficiary is receiving free in-patient treatment after having received that treatment continuously for a period of not less than fifty-two weeks, then, notwithstanding the provisions of regulation 8 of these regulations, he or she shall not be regarded as a dependant of the beneficiary.

(b) If,—

(i) on a day on which the beneficiary is receiving free in-patient treatment after having received that treatment continuously for a period exceeding fifty-two weeks, his wife or her husband is receiving free in-patient treatment after having received that treatment continuously for a period which began fifty-two weeks before that day, and

(ii) as respects the period of free in-patient treatment received by the beneficiary, the provisions of paragraph (3) of this regulation have not applied in relation to any part of that period before that day,

those provisions shall apply as if the part of the period of free in-patient treatment received by the beneficiary next following the first fifty-two weeks thereof had begun on that day.

(c) Where the benefit in question is personal benefit by way of sickness benefit and the beneficiary is a woman who is receiving free in-patient treatment after having received that treatment continuously for a period of not less than fifty-two weeks, for any part of the period of that treatment which occurs after the first fifty-two weeks thereof and for which there is payable to her husband in respect of her any dependency benefit under the Act,

the reduction of that personal benefit shall be such (if any) as will reduce the weekly rate thereof, where the beneficiary is a tuberculosis patient, to *sixteen shillings and sixpence* a week, or, in any other case, to *eleven shillings and sixpence* a week.

(d) If the beneficiary is a man and the benefit in question is personal benefit by way of sickness benefit or a retirement pension, or if the beneficiary is a woman and the benefit in question is personal benefit by way of a retirement pension, then, for any part of the period of free in-patient treatment received by the beneficiary which occurs after the first one hundred and four weeks thereof and (where the beneficiary is a man) for which the wife of the beneficiary is entitled to a retirement pension by virtue of her own insurance—

(i) notwithstanding the provisions of regulation 8 of these regulations, the wife or husband of the beneficiary shall not be regarded as a dependant of the beneficiary, and

(ii) (where the beneficiary is a man and his wife would, but for the provisions of this sub-paragraph, be regarded as a dependant of the beneficiary) the reduction of the personal benefit in question shall be at the weekly rate of *thirty-four shillings*:

Provided that the provisions of head (ii) of this sub-paragraph shall not apply for any period in respect of which any such application as is mentioned in paragraph (2) of this regulation has been made by the beneficiary in relation to any person except his wife who, for that period, is a dependant of the beneficiary.

PART V

Regulation 13 (1)

REGULATION 6 OF THE HOSPITAL IN-PATIENTS REGULATIONS, AS AMENDED

Dependency benefit

6.—(1) The provisions of paragraphs (2) to (6) of this regulation shall have effect subject to the provisions of paragraph (7) thereof.

(2) Where, apart from this regulation, the conditions for the receipt by any person (hereafter in this regulation referred to as “the beneficiary”) of any dependency benefit under the Act are satisfied as respects a period for which either the beneficiary or the person in respect of whom that dependency benefit is or, apart from this regulation, would be payable (hereafter in this regulation referred to as “the dependant”) is receiving free in-patient treatment, that dependency benefit shall be payable subject to and in accordance with the following provisions of this regulation.

(3) In any case (not being a case in which the provisions of the next following paragraph apply) where the beneficiary is married and the dependant is his wife or her husband and is receiving free in-patient treatment after having received that treatment continuously for a period of not less than eight weeks, the following provisions shall apply:

(a) The weekly rate of the dependency benefit which, but for this regulation, would be payable to the beneficiary in respect of the dependant—

(i) for any part of the period of free in-patient treatment received by the dependant which occurs during the ninety-six weeks next following the first eight weeks thereof shall be reduced by *eleven shillings and sixpence* or by such lesser amount (if any) as will reduce that weekly rate, where the dependant is a tuberculosis patient, to *sixteen shillings and sixpence* a week, or, in any other case, to *eleven shillings and sixpence* a week; and

(ii) for any part of the period of free in-patient treatment received by the dependant which occurs after the end of one hundred and four weeks beginning with its commencement shall (subject to the pro-

visions of the next following sub-paragraph) be reduced by such an amount (if any) as will reduce that weekly rate, where the dependant is a tuberculosis patient, to *sixteen shillings and sixpence* a week, or, in any other case, to *eleven shillings and sixpence* a week.

- (b) Where the beneficiary is a man and the dependant is his wife who is residing with him, the dependency benefit which, but for this sub-paragraph, would be payable to the beneficiary in respect of the dependant for any part of the period of free in-patient treatment received by the dependant which occurs after the end of one hundred and four weeks beginning with its commencement shall not be payable unless the beneficiary is regularly incurring expenditure in respect of the dependant or is regularly making, or causing to be made, some payment to the dependant or to some other person for the benefit of the dependant.

(4) In any case where the beneficiary is married and the dependant is his wife or her husband and each of them is receiving free in-patient treatment after having received that treatment continuously for a period of not less than fifty-two weeks, the following provisions shall apply:

- (a) For any part of the period of free in-patient treatment received by the beneficiary—

(i) which occurs both after the first fifty-two weeks thereof and during that part of the period of free in-patient treatment received by the dependant which occurs during the fifty-two weeks next following the first fifty-two weeks thereof, and

(ii) in respect of which an application has been made by the beneficiary to the Ministry to pay on behalf of the beneficiary to the dependant (subject to the dependant's being discharged from the hospital or similar institution and subject also to the provisions of the next following regulation) or to some other person who is approved by the Ministry and satisfies the Ministry that he will apply it for the benefit of a child of the beneficiary's family so much (if any) of the dependency benefit as would, but for this regulation, be payable to the beneficiary in respect of the dependant at a rate in excess, where the dependant is a tuberculosis patient, of *twenty-eight shillings* a week, or, in any other case, of *twenty-three shillings* a week,

the weekly rate of the dependency benefit which, but for this regulation, would be payable to the beneficiary in respect of the dependant shall be reduced by *eleven shillings and sixpence* a week or by such lesser amount (if any) as will reduce that weekly rate, where the dependant is a tuberculosis patient, to *sixteen shillings and sixpence* a week, or, in any other case, to *eleven shillings and sixpence* a week.

- (b) For any other part of the period of free in-patient treatment received by the beneficiary which occurs both after the first fifty-two weeks thereof and during that part of the period of free in-patient treatment received by the dependant which occurs after the first fifty-two weeks thereof, the weekly rate of the dependency benefit which, but for this regulation, would be payable to the beneficiary in respect of the dependant shall be reduced by such an amount (if any) as will reduce that weekly rate, where the dependant is a tuberculosis patient, to *sixteen shillings and sixpence* a week, or, in any other case, to *eleven shillings and sixpence* a week.
- (c) Any benefit in relation to which, in accordance with sub-paragraph (a) of this paragraph, an application has been made by the beneficiary to the Ministry for its payment to the dependant shall not be payable unless and until the dependant is discharged from the hospital or similar institution.

(5) In any case where the dependant is a child and is receiving free in-patient treatment after having received that treatment continuously for a period of not less than twelve weeks, any dependency benefit which, but for this regulation,

would be payable to the beneficiary in respect of the dependant shall not be payable unless the beneficiary is regularly incurring expenditure in respect of the dependant or is regularly making, or causing to be made, some payment to the dependant or to some other person for the benefit of the dependant.

(6) In any case (not being a case in which the provisions of sub-paragraph (b) of paragraph (3) of this regulation or the provisions of the last foregoing paragraph apply) where, apart from this regulation, the conditions for the receipt by the beneficiary of any dependency benefit under the Act (not being any dependency benefit in relation to which an application has been made in accordance with the provisions of head (ii) of sub-paragraph (a) of paragraph (4) of this regulation) are satisfied and the beneficiary has received free in-patient treatment continuously for a period exceeding fifty-two weeks, that dependency benefit, or such part thereof as would be payable but for the provisions of this paragraph, shall not be payable for any part of the period of free in-patient treatment which occurs after the first fifty-two weeks thereof and in respect of which an application has not been made by the beneficiary to the Ministry to pay on behalf of the beneficiary that dependency benefit, or the said part thereof, to the dependant or to some other person who is approved by the Ministry and satisfies the Ministry that he will apply it for the benefit of the dependant.

(7) In relation to any case where the beneficiary is a married man and the dependant is his wife, the foregoing references to the dependency benefit which, but for this regulation, would be payable for any period shall, as respects any period throughout which the dependant is receiving free in-patient treatment and—

- (a) for which personal benefit under the Act by way of sickness benefit is payable to her, or
- (b) (where the dependency benefit in question is dependency benefit by way of an increase of a retirement pension) throughout which she is over pensionable age and for which any personal benefit specified in paragraph (2) of regulation 6 of the National Insurance (Overlapping Benefits) Regulations (Northern Ireland), 1949, is payable to her,

be construed as references to the dependency benefit which, but for the operation of the said regulations of 1949 and the provisions of this regulation, would be payable for that period.

PART VI

Regulation 14 (1)

REGULATION 6A OF THE HOSPITAL IN-PATIENTS REGULATIONS, AS AMENDED

Benefit payable on discharge from a hospital or similar institution

6A.—(1) Where, by virtue of any provision of these regulations, the payment to a person (hereafter in this regulation referred to as “the payee”) of any sum by way of benefit is conditional upon the payee’s discharge from a hospital or similar institution, that sum (which sum or any part thereof is hereafter in this regulation referred to as “resettlement benefit”) shall not be payable unless and until, after the payee’s discharge from the hospital or similar institution, the payee proves, in such manner as the Ministry shall require, that his discharge therefrom was effected by and with the approval of a person authorised or empowered to discharge him and that he is neither receiving free in-patient treatment nor residing in any prescribed accommodation, and in that event there shall be payable only so much resettlement benefit as is payable in accordance with the provisions of the next following paragraph.

(2) Resettlement benefit shall, during the lifetime of the payee, be payable to him by instalments not exceeding *eighty shillings* a week unless, having regard to the circumstances of any particular case, the Ministry decides that payment by other instalments or in one sum is desirable, and any resettlement benefit which, at the payee’s death, has not been paid in accordance with this provision shall not be payable:

Provided that—

- (a) the payment of any resettlement benefit shall be suspended while the payee is again receiving free in-patient treatment or is residing in any prescribed accommodation; and
- (b) where after an interval of more than twenty-eight days the payee again receives free in-patient treatment for any period, the amount of any resettlement benefit which, but for the provisions of this paragraph of this proviso, would be payable to him in respect of that period shall be reduced or extinguished by the deduction therefrom of the amount of any resettlement benefit which, at the commencement of that period, either was payable to him and was unpaid, or would have been so payable to him if he had then satisfied the conditions for the receipt thereof.

PART VII

Regulation 15 (1)

REGULATION 5 OF THE NEW ENTRANTS REGULATIONS, AS AMENDED

Modification of provisions of the Act relating to retirement pensions in the case of certain widows

5.—(1) In the case of any person referred to in paragraph (1) of regulation 2 who was immediately before the appointed day an existing widow pensioner or prospective widow pensioner and over the age of fifty, the provisions of section 19 of the Act (which section relates to retirement pensions) shall, unless she remarries on or after that day and before attaining pensionable age, apply subject to the modification that the contribution condition specified in sub-paragraph (1) (a) of paragraph 4 of the Third Schedule to the Act (which sub-paragraph makes the payment of not less than one hundred and fifty-six contributions of the appropriate class a condition for a retirement pension) shall be deemed to be satisfied.

(2) (a) Any widow to whom sub-paragraph (b) (i) of paragraph (2) of regulation 4 is applicable, and who on attaining pensionable age is in receipt of a dependants war pension of the kind specified in that sub-paragraph at a rate of less than *fifty-seven shillings and sixpence* a week, may elect that that regulation shall not apply to her, and in that event the provisions of paragraph (1) of this regulation shall apply in her case, subject to the qualification that if the total amount of the weekly rates of the retirement pension (apart from any increase) and of the dependants war pension exceeds *fifty-seven shillings and sixpence*, the weekly rate of the retirement pension shall be reduced by the sum by which that total amount exceeds *fifty-seven shillings and sixpence*.

(b) The provisions of paragraph (1) of this regulation shall also apply to any widow to whom sub-paragraph (b) (ii) of the said paragraph (2) is applicable, if, when she attains the age of sixty, she is not cohabiting with a man as his wife.

(3) In the case of any person—

(b) specified in sub-paragraph (a) of paragraph (2) of this regulation who elects that regulation 4 shall not apply to her;

and who attains pensionable age within five years from the appointed day, the weekly rate of the retirement pension shall (without prejudice to the application thereto of the provisions of the said sub-paragraph (a)) be ascertained in accordance with regulation 14 of the National Insurance (Pensions, Existing Contributors) (Transitional) Regulations (Northern Ireland), 1948, and the Fifth Schedule thereto (which regulation and Schedule relate to reduced rates of pensions for certain existing contributors) as if she were a person included within the class of persons specified in paragraph (4) of Part I of that Schedule.

- (a) in the case of a widowed mother's allowance payable by virtue of the widow's having a family at the rate of *eighty-two shillings and sixpence*, to less than *thirty-five shillings* (exclusive of the amount of any increase in respect of any child or children other than the elder or eldest); or
