

Sealed with the Official Seal of the Ministry of Health and Local Government for Northern Ireland this 12th day of December, 1963.

(L.S.)

Ronald Green,
Secretary.

EXPLANATORY NOTE

(This Note is not part of the regulations but is intended to indicate their general purport.)

These regulations amend the National Insurance (Modification of Local Government Superannuation Scheme) No. 2 Regulations (Northern Ireland) 1961, and hence further modify the Local Government (Superannuation) Regulations (Northern Ireland) 1962, in connection with the operation of the National Insurance Act (Northern Ireland) 1959 as amended by the National Insurance Act (Northern Ireland) 1963.

The regulations provide for superannuation contributions and certain types of voluntary contributions payable under the Local Government Superannuation Scheme to be further reduced during periods of participating employment, the reduction to take account of the increased level of graduated retirement benefit provided under the National Insurance Graduated Pension Scheme.

Pensions payable under the Local Government Superannuation Scheme are also to be further reduced in respect of periods of participating employment where graduated retirement benefit was earned at the increased level.

Transfer values in respect of accrued superannuation rights would also be further reduced in respect of similar periods of participating employment.
