Paragraph 9.

The general minimum piece rates applicable to male and female workers in respect of operations or items not specified in paragraphs 7 and 8 shall be ascertained by applying the rate per log-hour set out in this paragraph, *increased by 25 per cent. or 5s. in the £*, to the respective time allowances for the several operations included in the STATEMENT OF TIME ALLOWANCES, set out in the Second Schedule to the Retail Bespoke Tailoring Wages Council (Northern Ireland) Wages Regulation Order 1946(a) (Order N.I.T.R.B. (58)).

B. FEMALE WORKERS

The general minimum piece rates for female workers employed on operations or items not mentioned in paragraphs 7 and 8 but included in the Statement of Time Allowances referred to in sub-paragraph A are—

Two-thirds of the appropriate general minimum piece rates for male workers as specified in sub-paragraph A.

Paragraph 10.

In the case of male or female workers employed on piece work, each piece rate paid must be such as will yield, in the circumstances of the case, to an ordinary worker, at least the same amount of money as the appropriate piece work basis time rate. In determining whether any piece rate satisfies the foregoing condition regard shall be had only to the earnings of workers of ordinary skill and experience in the class of work in question and not to the earnings of workers of less than ordinary skill and experience.

Paragraph 11.

In the case of workers employed on operations to which the general minimum piece rates specified in paragraphs 7, 8 and 9 apply, piece rates calculated to yield, in the circumstances of the case, to an ordinary worker, at least the same amount of money as the appropriate piece work basis time rate, shall be held to include all such general minimum piece rates.

OVERTIME**Paragraph 12.**

Overtime rates are payable as follows:—

A. WORKERS EMPLOYED ON TIME WORK:—

- (i) On any day other than Saturday (or the weekly short day substituted therefor), Sunday or a customary holiday—

For all time worked in excess of 8 hours — **TIME-AND-A-HALF**

Provided that where it is or may become the established practice of the employer to require attendance on only 5 days in the week, the said overtime rate becomes payable on each of those 5 days after 9 hours have been worked.

- (ii) On Saturday (or the weekly short day substituted therefor), not being a customary holiday—

For all time worked in excess of 4 hours — **TIME-AND-A-HALF**

- (iii) On Sunday or a customary holiday—

For all time worked — **DOUBLE TIME**

- (iv) In any week—

For all time worked in excess of 42 hours — **TIME-AND-A-HALF**, except in so far as a higher overtime rate may be payable under the provisions of sub-paragraph (iii).

Provided that where it is or may become the established practice of the employer to require attendance on Saturday in alternate weeks only, the said overtime rate becomes payable in the week in which attendance on Saturday is required only after 44 hours have been worked.

B. WORKERS EMPLOYED ON PIECE WORK:—

Workers employed on piece work are entitled to receive in respect of each hour of overtime worked, IN ADDITION to piece rates each of which would yield, in the circumstances of the case, to an ordinary worker, at least the same amount of money as the appropriate piece work basis time rate, an amount equal to one-half or the whole of the appropriate piece work basis time rate, according as the overtime rate which would have been payable under the provisions of sub-paragraph A, if the worker had been employed on time work, would have been equivalent to **TIME-AND-A-HALF** or **DOUBLE TIME**, respectively.

Paragraph 13.

The expression "customary holiday" means—

(a) Christmas Day (or, if Christmas Day falls on a Sunday, such other weekday as may be appointed by National Proclamation, or, if none is so appointed, the next following Tuesday), Boxing Day, Easter Monday, Easter Tuesday and two other days (being days of the week on which the worker normally works for the employer) in the course of a calendar year to be fixed either (i) by agreement between the employer and the worker or his representative, or (ii) by the employer, in which case the days so fixed must be notified to the worker not less than eight weeks before the customary holiday;

or, (b) a day substituted by the employer for any one of the four days first-mentioned in (a), being a day recognised by local custom as a day of holiday in substitution for the said day.

Paragraph 14.

Where a worker is of the Jewish religion and is employed subject to the provisions of Section 96 of the Factories Act (Northern Ireland) 1938(a) on Sunday instead of Saturday, the overtime rates shall apply to such worker in like manner as if, in the provisions relating to overtime, the word "Saturday" were substituted for "Sunday" and the word "Sunday" for "Saturday."

Paragraph 15.

For the purpose of paragraph 12, the expressions time-and-a-half and double-time mean, respectively, one-and-a-half times or twice the amount of the general minimum time rate otherwise applicable.
