OVERTIME—ALL WORKERS

Paragraph 11.

Overtime rates are payable as follows:—

A. Workers employed on time work:

(a) In any week (exclusive of any time for which double time is payable under the provisions of (b) and (c)), for time worked in excess of 42 hours—

- (i) for the first three hours TIME-AND-A-QUARTER
(ii) thereafter TIME-AND-A-HALF

Provided that where in any week a worker is allowed a holiday on any day of customary holiday the said period of 42 hours shall be reduced by 8 hours 24 minutes in respect of each such holiday which is allowed on a day normally worked by the worker.

(b) On Sunday or a customary holiday—

For all time worked DOUBLE TIME

(c) On Saturday—

For all time worked after mid-day DOUBLE TIME

B. Workers employed on piece work:

Workers employed on piece work are entitled to receive, in respect of each hour of overtime worked, in addition to the general minimum piece rates applicable or, where no such general minimum piece rates have been fixed, in addition to piece rates, each of which would yield, in the circumstances of the case, to an ordinary worker, at least the same amount of money as the appropriate piece work basis time rate

an amount equivalent to one-quarter, one-half or the whole of the appropriate piece work basis time rate

according as the overtime payable under the provisions of sub-paragraph A, if the worker has been employed on time work, would have been equivalent to time-and-a-quarter, time-and-a-half, or double time, respectively.

Paragraph 12.

The expression “customary holiday” means—

(1) Christmas Day (or, if Christmas Day falls on a Sunday, such other weekday as may be appointed by national proclamation or, if none is so appointed, the next following Tuesday), Boxing Day, Easter Monday, Easter Tuesday, and two other days (being days on which the worker normally works) in the course of a calendar year to be fixed by the employer and notified to the worker not less than three weeks before the holiday;

or (2) a day substituted by the employer for any one of the said days, being a day recognised by local custom as a day of holiday in substitution for the said day.

Paragraph 13.

For the purpose of paragraph 11 the expressions “time-and-a-quarter”, “time-and-a-half”, and “double time” mean respectively, one-and-a-quarter times, one-and-a-half times, and twice the amount of the general minimum time rate otherwise applicable.

GENERAL

APPLICATION OF STATUTORY MINIMUM REMUNERATION TO PIECE WORKERS

Paragraph 14.

In the case of male or female workers employed on piece work for which no general minimum piece rates have been fixed, each piece rate paid must be such as will yield, in the circumstances of the case, to an ordinary worker, at least the same amount of money as the appropriate piece work basis time rate. In determining whether any piece rate satisfies the foregoing condition regard will be had only to the earnings of ordinary workers, that is, workers of ordinary skill and experience in the class of work in question and not to the earnings of workers of less than ordinary skill and experience, for example, juvenile and infirm workers.

EMPLOYMENT OF JUVENILE WORKERS ON PIECE WORK

Paragraph 15.

An employer will, in any case where a learner or other juvenile worker is employed on piece work during the first twelve months of his employment in the trade, be deemed to pay wages at less than the minimum rate unless he shows that such worker has received in respect of his employment on piece work in each week during that period, at least the same amount of money as such worker would have been entitled to receive if employed on time work.

An employer will, in any case where any such worker is so employed at any time subsequent to the first twelve months of his employment in the trade, be deemed to pay wages at less than the minimum rate unless he shows that such worker has, in respect of his employment on piece work, been paid at piece rates which would yield, in the circumstances of the case, to an ordinary worker (not being a juvenile worker) at least the same amount of money as the appropriate piece work basis time rate.

WAITING TIME

Paragraph 16.

- (1) A worker is entitled to payment of statutory minimum remuneration as aforesaid during all the time during which he is present on the premises of his employer, unless he is present thereon in any of the following circumstances, that is to say:—
 - (a) without the employer's consent, express or implied;
 - (b) for some purpose unconnected with his work and other than that of waiting for work to be given to him to perform;
 - (c) by reason only of the fact that he is resident thereon; or
 - (d) during normal meal times in a room or place in which no work is being done and is not waiting for work to be given to him to perform.
- (2) The statutory minimum remuneration payable under sub-paragraph (1) to a piece worker when not engaged on piece work shall be that which would be payable if he were a time worker.

DEFINITIONS

Paragraph 17.

A "female pan hand" is a female worker of any age who is employed in pan setting, that is to say, the making or setting by hand of a pan knot or both such making and setting with or without the operations of boring and trimming or either of them.

Paragraph 18.

An "out-worker" is a worker who works in his own home or in any other place which is not under the control or management of the employer.

APPLICABILITY OF STATUTORY MINIMUM REMUNERATION

Paragraph 19.

The statutory minimum remuneration aforesaid applies, subject to the provisions of the Wages Councils Act (Northern Ireland) 1945, to workers in relation to whom the Brush and Broom Wages Council (Northern Ireland) operates, that is to say, workers employed in Northern Ireland in the trade specified in the Schedule to the Trade Boards (Brush and Broom Trade, Northern Ireland) (Constitution, Proceedings and Meetings) Regulations 1924(a), dated 28th August, 1924, namely:—

The manufacture of brushes (other than feather brushes) or brooms, including the following operations, where all or any of them are carried on in association with or in conjunction with the manufacture of such brushes or brooms:—

- (a) the drafting, dressing or mixing of bass, whisk, or similar fibres or animal bristles or hair and the working of wood, bone, ivory, or celluloid;
- (b) all finishing, warehousing, packing or other operations incidental to or appertaining to the manufacture of such brushes or brooms,

but excluding the following operations:—

the sawing and turning of wood as a preliminary operation to the manufacture of such brushes or brooms; the making of metal parts and the mounting of brushes with metal or tortoise-shell backs.

PAYMENT OF HIGHER REMUNERATION

Paragraph 20.

The statutory minimum remuneration set out in this Schedule is without prejudice to workers earning higher rates of wages or to agreements made, or that may be made, between employers and workers for the payment of remuneration in excess of the statutory minimum.

SECOND SCHEDULE

Holidays and Holiday Remuneration

The Brush and Broom Wages Regulation (Holidays) Order (Northern Ireland) 1962(b) (Order N.I.B.B. (87)) shall have effect as if in the Schedule thereto:—

1. the proviso to sub-paragraph (1)(a) of paragraph 6 were omitted.
2. in paragraph 11, for the definition of "TOTAL REMUNERATION" there were substituted the following:—

"TOTAL REMUNERATION" means any payments paid or payable to the worker under his contract of employment for time (other than hours of overtime) worked or piece work done by him (other than during hours of overtime), holiday remuneration, any productivity or long service bonus payable to the worker on a weekly, fortnightly or monthly basis and merit payments so payable, but does not include any other payments."
