### EXPLANATORY NOTE

*(This note is not part of the Regulations, but is intended to  
indicate their general purport.)*

These Regulations amend the National Insurance (Industrial Injuries) (Benefit) Regulations (Northern Ireland) 1948. They provide for the review of assessments of disablement made before the alterations in the scheduled degrees of disablement introduced by the National Insurance (Industrial Injuries) (Benefit) Amendment Regulations (Northern Ireland) 1966 came into effect on 6th April, 1966. They also enable the Ministry to take into account, in determining whether a person is entitled to constant attendance allowance, other disablements in respect of which payments are made out of certain public funds; and enable payment of an increase of disablement benefit for exceptionally severely disabled persons to be made to persons whose disablement arose out of employment before 5th July, 1948.

The Regulations substitute for the existing regulation 9C a new regulation 9C which sets out the circumstances in which persons claiming certain benefits in respect of a child can be deemed to satisfy the conditions in sections 17 and 21 of the National Insurance (Industrial Injuries) Act (Northern Ireland) 1966 that they are making the required contribution to the cost of providing for the child. They also revoke regulation 9B of the 1948 Regulations.
