

EXPLANATORY NOTE

(This Note is not part of the Regulations, but is intended to indicate their general purport.)

These Regulations consolidate with amendments the Regulations specified in the Eighteenth Schedule. The principal amendments are consequential upon the addition of various substances in the Poisons Schedule now made by the Poisons List Order (Northern Ireland) 1967 (S.R. & O. (N.I.) 1967, No. 142), appropriate insertions being made in the relevant Schedules. In addition, provision is made for prohibiting the sale or supply by retail of lysergide and psilocybin except to medical practitioners, and of embutramide and mebezonium iodide except to registered veterinary surgeons and practitioners, and except in each case to certain other persons and institutions (Regulation 16(4) and (5)). Bottles containing a single dose of ophthalmic solution are in certain circumstances not required to be fluted (Regulation 23(1)(b)). The substances in which nicotine is exempted from the Medicines, Pharmacy and Poisons Act (Northern Ireland) 1945 and these Regulations are extended to include soap based preparations and aerosols with a small nicotine content (Third Schedule).
