an amount equivalent to one-quarter, one-half or the whole of the appropriate piece work basis time rate

according as the overtime rate payable under the provisions of subparagraph (1), if the worker had been employed on time work, would have been equivalent to time-and-a-quarter, time-and-a-half, or double time, respectively.

## GENERAL

## APPLICATION OF STATUTORY MINIMUM REMUNERATION TO PIECE WORKERS

## Paragraph 13.

In the case of workers employed on piece work, each piece rate paid must be such as will yield, in the circumstances of the case, to an ordinary worker, at least the same amount of money as the appropriate piece work basis time rate. In determining whether any piece rate satisfies the foregoing conditions regard shall be had only to the earnings of ordinary workers, i.e., workers of ordinary skill and experience in the class of work in question and not to the earnings of workers of less than ordinary skill and experience, e.g., juvenile and infirm workers.

## EMPLOYMENT OF JUVENILE WORKERS ON PIECE WORK

## Paragraph 14.

An employer will, in any case where a learner or other juvenile worker is employed on piece work during the first six months of his employment in the trade, be deemed to pay wages at less than the minimum rate unless he shows that such worker has received, in respect of his employment on piece work in each week during that period, at least the same amount of money as such worker would have been entitled to receive if employed on time work.

An employer will, in any case where any such worker is so employed at any time subsequent to the first six months of his employment in the trade, be deemed to pay wages at less than the minimum rate unless he shows that such worker has, in respect of his employment on piece work, been paid at piece rates which would yield, in the circumstances of the case, to an ordinary worker (not being a juvenile worker) at least the same amount of money as the appropriate piece work basis time rate.

## WAITING TIME

## Paragraph 15.

- (1) A worker is entitled to payment of statutory minimum remuneration as aforesaid during all the time during which he is present on the premises of his employer unless he is so present either without his employer's consent, express or implied, or for some purpose unconnected with his work and other than that of waiting for work to be given to him to perform.
- (2) A piece worker is, during any time during which he is present as aforesaid and is not doing piece work, entitled to payment of the general minimum time rate applicable to the workers of the class to which he belongs.

Provisions (1) and (2) do not apply when—

- (a) a worker is present on his employer's premises by reason only of the fact that he is resident thereon, or
- (b) a worker is present on his employer's premises during normal meal times in a room or place in which no work is being done and is not waiting for work to be given to him to perform.

## CLASSES OF WORKERS FOR WHOM NO STATUTORY MINIMUM REMUNERATION HAS BEEN FIXED

## Paragraph 16.

The statutory minimum remuneration aforesaid does not apply to—

- (a) clerks, salesmen, saleswomen, travellers, engineers, carpenters, vanmen, watchmen, outside messengers, cleaners of premises, timekeepers, or to any

other workers whose work stands in relationship to the trade similar to that of the foregoing excluded classes.

- (b) workers engaged in the manufacture of bars, tablets or blocks of solid chocolate.

#### APPLICABILITY OF STATUTORY MINIMUM REMUNERATION

##### Paragraph 17.

The statutory minimum remuneration applies, subject to the provisions of the Wages Councils Act (Northern Ireland) 1945, to workers in relation to whom the Sugar Confectionery and Food Preserving Wages Council (Northern Ireland) operates, that is to say, workers employed in Northern Ireland in the trade specified in the Schedule to the Trade Boards (Sugar Confectionery and Food Preserving Trade, Northern Ireland) (Constitution, Proceedings and Meetings) Regulations 1924(d) dated 29th September 1924, namely:—
