Admission of Qualified Pupils to Grammar Schools

4. A qualified pupil is a pupil who has reached the qualifying standard in or as a result of such test or tests or other arrangements for the admission of pupils to the secondary department of a school as the Ministry may conduct, make or approve.

5.—(1) The school authorities of every Group A voluntary school or county school shall reserve for qualified pupils not fewer than 80 per cent of the places available each school year for the admission of day pupils to the secondary department of the school.

(2) The school authorities of a Group A voluntary school or county school shall not without the prior approval of the Ministry increase the number of places available in the school for boarding pupils in such a way as to reduce the number of places available for day pupils.

(3) No qualified pupil shall be refused admission to a Group A voluntary school or county school on other than reasonable grounds;

Provided, however, that, where the number of qualified pupils seeking admission to the secondary department of a Group A voluntary school or county school is greater than the number of places reserved for such pupils in accordance with the provisions of paragraph (1) of this Regulation, the school authorities may select such of the qualified pupils as appear to them best fitted to profit by the education provided at the school.

6. The school authorities of a Group B voluntary school may admit each year to the secondary department of the school such and so many qualified pupils as they may think fit.

Award of Scholarships and Special Allowances

7. The local education authority shall make an award to each qualified pupil ordinarily resident in their area who is in attendance at a school. Provided that where the authority is satisfied that a pupil's parents are not ordinarily resident in their area and that the pupil is resident in the area solely or mainly for the purpose of receiving education the making of an award shall be at the discretion of the authority.

8.—(1) An award shall consist of

(a) a scholarship of a value equal to—

- (ii) the amount of examination fees as certified by or on behalf of the school authorities and approved by the local education authority; and
- (iii) such amount in respect of books, stationery and other school requisites as may be determined by the local education authority and approved by the Ministry, which amount may be paid either to the school authorities, the parent or otherwise for the benefit of the pupil as the local education authority may decide; and

(b) a special allowance of an amount determined in accordance with the Schedule being either an Incidentals Allowance or a Maintenance Allowance: provided that—

- (i) a Maintenance Allowance shall not be payable in respect of a qualified pupil who is in receipt of a Boarding Allowance; and
- (ii) where a qualified pupil was entitled to a special allowance under sub-paragraph (b) of paragraph (1) of Regulation 8 of the previous Regulations any such allowance shall continue to be payable subject to the provisions of the previous Regulations unless and until the pupil becomes eligible to receive a special allowance of greater amount under this sub-paragraph.

- (b) that it is necessary that, for the purpose of the avoidance or alleviation of hardship to the pupil or his parents, a special allowance should be granted so as to enable him to attend a suitable school as a boarder;

the local education authority may in their discretion grant in respect of that pupil a Boarding Allowance of an amount determined in accordance with arrangements approved by the Ministry.

Conditions of Award

9. Each award made under these Regulations shall be continued so long as is necessary in the opinion of the local education authority to enable the holder to complete the course of study approved by the authority for the purpose of the award:

Provided that the local education authority may at any time cancel the award—

- (i) if the holder ceases to satisfy the conditions under which the award was made; or
- (ii) if they are satisfied, after consultation with the principal of the school concerned, that the conduct, progress or attendance of the holder is not satisfactory.

10. An application for an award shall be submitted annually to the local education authority and shall be in such form, contain such information, be accompanied by such documents and be submitted by such date as the authority may require: provided that the authority may waive any such requirement in any particular case. The authority shall, in accordance with arrangements approved by the Ministry, satisfy themselves of the accuracy of any information furnished under the provisions of this Regulation.

11. It shall be the duty of the parent of the holder of a special allowance payable or granted under Regulation 8 to inform the local education authority of any change in his financial circumstances. If the authority have reason to believe that such a change has occurred or if the parent of the holder represents to the authority that such a change has occurred, the authority shall give the parent an opportunity of submitting a revised application and the authority shall thereafter reconsider and if necessary adjust the value of or cancel the allowance.

12. It shall be the duty of the parent of the holder of an award to inform the local education authority of any change in his place of residence.

13. The school authorities of a school shall furnish to the local education authority concerned such reports on the conduct, progress and attendance of each holder of an award as the authority may require.

Sealed with the Official Seal of the Ministry of Education for Northern Ireland this 26th day of July 1971.
