EXPLANATORY NOTE

(This note is not part of the Regulations, but is intended to indicate their general purport.)

These Regulations, made under the Misuse of Drugs Act 1971, consolidate with amendments the provisions of the Dangerous Drugs (Notification of Addicts) Regulations (Northern Ireland) 1968 and the Dangerous Drugs (Supply to Addicts) Regulations (Northern Ireland) 1968, made under earlier enactments.

The Regulations require doctors to send to the Chief Medical Officer of the Ministry of Health and Social Services particulars of persons whom they consider or suspect to be addicted to certain controlled drugs, which are specified in the Schedule to the Regulations. The Regulations also prohibit doctors from supplying or prescribing cocaine or diamorphine (commonly known as heroin) for such persons except under licence of the Ministry of Home Affairs or in certain cases for medical treatment.

Regulation 5 extends the provisions of the Regulations, together with the provisions of the Act necessary for their enforcement, to servants and agents of the Crown.
