## EXPLANATORY NOTE

*(This note is not part of the regulations, but is intended to indicate their general purport.)*

These regulations which are made in consequence of the National Insurance and Supplementary Benefit Act 1973 increase the rates of certain benefits payable under regulations made under the National Insurance (Industrial Injuries) Act (Northern Ireland) 1966, in order to bring them into conformity with the higher rates of benefit payable directly under that Act by virtue of the National Insurance and Supplementary Benefit Act 1973, and contain consequential and transitional provisions following upon the passing of the last-mentioned Act.

The regulations also amend the National Insurance (Industrial Injuries) (Benefit) Regulations (Northern Ireland) 1969 to enable the normal maximum rate of constant attendance allowance to be paid in certain cases where the attendance required is part-time only.
