DRAFT SCOTTISH STATUTORY INSTRUMENTS

2006 No.

The Transfer of Functions from the Strathclyde Passenger Transport Authority and the Strathclyde Passenger Transport Executive to the West of Scotland Transport Partnership Order 2006

Incidental, consequential, transitional and saving provision

4.—(1) The transfer, by virtue of this Order, of any function exercisable by the Strathclyde Passenger Transport Authority or the Strathclyde Passenger Transport Executive to the West of Scotland Transport Partnership shall not affect the validity of anything done (or having effect as if done) by or in relation to the Strathclyde Passenger Transport Authority or the Strathclyde Passenger Transport Executive before the date on which the transfer takes effect.

(2) Anything (including legal proceedings) which, at the time when that transfer takes effect, is in the process of being done by or in relation to the Strathclyde Passenger Transport Authority or the Strathclyde Passenger Transport Executive may, so far as it relates to any function transferred, be continued to be done by or in relation to the West of Scotland Transport Partnership.

(3) Anything done (or having effect as if done) by or in relation to the Strathclyde Passenger Transport Authority or the Strathclyde Passenger Transport Executive for the purposes of or in connection with any function transferred to the West of Scotland Transport Partnership by virtue of this Order shall, if in force at the time when that transfer takes effect, have effect as if done by the West of Scotland Regional Transport Partnership in so far as that is required for continuing its effect after that time.

(4) For the purpose of the discharge of its remaining functions the Strathclyde Passenger Transport Authority or the Strathclyde Passenger Transport Executive may enter into arrangements with the West of Scotland Transport Partnership or any of the constituent councils of that Partnership for the provision by that Partnership or council of such facilities, services and staff as may be necessary.
