
DRAFT SCOTTISH STATUTORY INSTRUMENTS

2014 No.

The Renewables Obligation (Scotland) Amendment Order 2014

Provision of information to the Authority

15.—(1) Article 53 is amended as follows.

(2) In paragraph (3)—

- (a) before “renewable output” insert “RO eligible”;
- (b) in sub-paragraph (a), for “amount of input electricity” substitute “total input electricity and the RO input electricity”; and
- (c) in sub-paragraph (b), for “gross output” substitute “total output electricity and the RO output electricity”.

(3) For paragraph (9) substitute—

“(9) In this article “RO input electricity” and “RO output electricity”, in relation to a generating station, have the same meaning as they have in article 23A.”.
