

SCHEDULES

SCHEDULE 1

Producer Registration: Information to be contained in an application for producer registration

8. Relevant information that supports the identification of scheme articles first marketed, offered for sale or sold for the purposes of retail sale in Scotland by that producer, including—

- (a) any trade mark or distinguishing marks placed on scheme articles or scheme packaging which assists in identifying the producer,
- (b) any unique codes or marks designed to support the capture of data relating to the scheme article or scheme packaging (for example, a European Article Number).
