**2001 No. 207**

**The Water Supply (Water Quality) (Scotland) Regulations 2001**

**PART II**

**WATER SUPPLY ZONES**

**Water supply zones**

3.—(1) Before the beginning of each year in which it intends to supply water for regulation 4(1) purposes, a water authority shall designate the names and areas within its area of supply that are to be its water supply zones for that year.

(2) A water supply zone may not comprise an area whose population immediately before the beginning of the year in question is estimated by the water authority to exceed 100,000.

(3) A water authority may not vary a designation under paragraph (1) after the beginning of the year in relation to which the designation has effect.
