

**APPLICATION FOR IMPROVEMENT GRANT  
RELATING TO WORKS FOR A DISABLED OCCUPANT**

**APPLICATION FOR IMPROVEMENT GRANT RELATING TO WORKS  
FOR A DISABLED OCCUPANT**

**Please read these notes before completing this form.** These notes are not a complete or authoritative statement of the law.

This is an application form for an improvement grant where the works are required to make the house suitable for a disabled occupant.

In this form and these notes "house" includes flats.

This form must be completed and returned to the local authority for the area where the house is situated. The local authority will tell you what documents you need to provide to show that the information you give is correct. They may also need to inspect the house to check that they can give grant for the works you plan to do.

**YOU SHOULD NOT START THE WORK ON THE HOUSE BEFORE THE LOCAL AUTHORITY HAS APPROVED YOUR GRANT APPLICATION IN WRITING.**

**IF YOU START WORK BEFORE YOUR APPLICATION IS APPROVED, THE LOCAL AUTHORITY MAY NOT BE ABLE TO GIVE YOU A GRANT.**

If you are not the owner of the house, the owner must agree to the application being made. If grant is given, the following conditions apply to the house for 5 years after the work is completed. The owner must agree to abide by these conditions:

- the house must be used as a private dwelling-house (although part may be used for business purposes);
- if the owner or a member of their family occupies the house, it must be their main home; and
- the house must be kept in good repair, as far as possible.

The conditions will be registered on the title of the house. If there are any loans secured on the house the lender should be informed of this application.

The amount of grant that may be paid usually depends on the income of the applicant (the disabled person) and their partner over the past year. ("Partner" means someone you are married to, or someone who normally lives with you as if you are married.) If the disabled person is under 16 years old, the application should be made by their parent, or other person responsible for them.

Leaflets are available to tell you more about the grants system and how the amount of grant is calculated.
