The Cereal Seed (Scotland) Regulations 2005

PART II

MARKETING

Marketing of seed

- 6.—(1) Subject to the provisions of this Part, no person shall market any seed unless—
- (a) it is marketed in seed lots or in parts of seed lots; and
 - (b) it is—
 - (i) seed of a plant variety of a species specified in Part I of Schedule 1 (varieties of plant species on national lists) to the Seeds (National Lists of Varieties) Regulations 2001⁽¹⁾ accepted on to a UK National List or the Common Catalogue and which is fully certified Pre basic Seed, fully certified Basic Seed or Seed of a Certified Generation; or
 - (ii) Breeder's Seed.
- (2) Paragraph (1) shall not apply to the marketing of seed which has not yet been fully certified if—
- (a) the seed is marketed for processing;
 - (b) the identity of the seed is ensured; and
 - (c) the seed has been harvested from a crop which has been found by an official field inspection to satisfy the conditions specified in Part I of Schedule 4 or Annex I (crop conditions) of the Cereal Seed Directive for the relevant category of seed.
- (3) Where seed is sampled in an untreated state for either the official examination referred to in paragraph 2(c) of Part I of Schedule 2, or for an examination or test carried out by a European Authority other than the Scottish Ministers, and the seed is subsequently subjected to chemical treatment the seller shall, upon or before delivering the seed to the purchaser, provide the purchaser with a statement in writing that the seed has been subsequently subjected to chemical treatment and specifying the chemical nature of such treatment.
- (4) Notwithstanding paragraph (1), no person shall market seed of a genetically modified variety unless it is clearly indicated, in the sales catalogue of the person marketing the seed and in any other marketing information or marketing representations provided by that person, as having been genetically modified.
- (5) Any person marketing seed which has been imported from a country which is not an EEA State and which exceeds 2 kilograms of seed shall supply the Scottish Ministers, in such manner and at such time as the Scottish Ministers may require, with the particulars relating to the seed specified in paragraph 11 of Part V of Schedule 6.
- (6) Notwithstanding paragraphs (1) and (2), no person shall market barley seed produced in Cyprus during the period from 1st July 2005 to 30th April 2009 both dates inclusive.

Marketing of seed of a Higher Voluntary Standard

7.—(1) This regulation applies to the marketing of seed of barley, durum wheat, oats, spelt wheat or wheat (excluding hybrids) which is fully certified Basic Seed, Certified Seed of the First Generation or Certified Seed of the Second Generation, where any label or notice affixed to, contained in or marked on any package containing the seed, any document accompanying the seed or any particulars displayed in respect of the seed, states or indicates that the seed attains the Higher Voluntary Standards for such seed.

(2) Any mixture of seeds to which the provisions of paragraph (1) relate shall be required to meet the appropriate standards prescribed in seeds regulations.

(3) Where any person markets seed to which this regulation applies, the person marketing the seed shall be deemed to state for the purpose of these Regulations, and in relation to the particulars given to a purchaser, that—

- (a) the crop from which the seed has been harvested met the Higher Voluntary Standards for such seed laid down in Part I of Schedule 4;
- (b) the seed meets the Higher Voluntary Standards for such seed laid down in Part II of Schedule 4; and
- (c) a successful application has been made to the Scottish Ministers under paragraph (4) verifying that the crop and seed have attained those standards.

(4) An application for verification that seed of barley, durum wheat, oats, spelt wheat or wheat which is Basic Seed, Certified Seed of the First Generation or Certified Seed of the Second Generation has attained the Higher Voluntary Standards for such seed shall be made to the Scottish Ministers in such form and manner and shall contain such information and be accompanied by such documents as the Scottish Ministers may require and the Scottish Ministers shall grant the application if the Scottish Ministers are satisfied that—

- (a) the crop from which the seed has been harvested met the Higher Voluntary Standards for such seed laid down in Part I of Schedule 4; and
- (b) the seed meets the Higher Voluntary Standards for such seed laid down in Part II of Schedule 4.

Mixtures

8.—(1) Regulation 6(1)(b) shall not prevent the marketing of a mixture of seed to which these Regulations apply if the mixture is—

- (a) a specific mixture of various varieties of one species of seed—
 - (i) that, as a mixture, is effective against the propagation of a harmful organism; and
 - (ii) each constituent of which complied, before mixing, with the relevant provisions of these Regulations; or

- (b) a mixture of different species of seeds, each constituent of which complied, before mixing, with the relevant provisions of these Regulations.

(2) Regulation 6(1)(b)(b) shall not prevent the marketing of a mixture of seed permitted by the Fodder Plant Seeds (Scotland) Regulations 2005(2) which includes seed of a species to which these Regulations apply which—

- (a) fell within regulation 6(1)(b)(i); and
- (b) complied with the relevant provisions of these Regulations,

before mixing with the fodder plant seed.

[F1]Exception for scientific purposes or selection work

9.—(1) Regulation 6(1)(b) shall not apply to the marketing by a producer of small quantities of seed for scientific purposes or selection work for which—

- (a) an authorisation has been granted to the producer by the Scottish Ministers in accordance with this regulation; or
- (b) an authorisation has been granted to the producer by a European Authority other than the Scottish Ministers in respect of small quantities of seed for scientific purposes or selection work pursuant to Article 4a(1)(a) (exemption for small quantities of seed for scientific purposes or selection work) of the Cereal Seed Directive.

(2) A producer established in Scotland may apply to the Scottish Ministers for authorisation under this regulation.

(3) An application under paragraph (2) shall be made in writing to the Scottish Ministers and shall be accompanied by such information as the Scottish Ministers may require.

(4) The Scottish Ministers shall not grant an authorisation under this regulation for scientific purposes or selection work in respect of seed of a genetically modified variety unless an authorisation is in force in respect of the variety concerned under—

- (a) the Food and Feed Regulation; or
- (b) Part C (placing on the market of GMOs as or in products) of the 2001 Deliberate Release Directive,

and then only if all appropriate measures, in accordance with the environmental risk assessment in respect of the genetically modified material carried out in accordance with Article 7(4) (environmental risk assessment for seed varieties) of the Common Catalogue Directive, have been taken by the producer of the seed to avoid adverse effects on human health and the environment.

(5) An authorisation under this regulation may—

- (a) specify the amount of seed which may be marketed under it; and
- (b) impose such conditions as the Scottish Ministers think necessary or desirable having regard to the nature of the scientific purposes or selection work involved and the nature of the seed to which the authorisation relates, including a condition relating to the keeping of records in respect of the marketing of the seed.

Status: Point in time view as at 01/04/2007.

Exception for test and trial seed

9A.—(1) Regulation 6(1)(b) shall not apply to the marketing by a producer of seed for test and trial purposes in accordance with—

- (a) a tests and trials authorisation; or
- (b) an authorisation which has been granted to the producer by a European Authority other than the Scottish Ministers pursuant to Article 4a(1)(b) (exemption for test and trial purposes) of the Cereal Seed Directive,

which has been granted in accordance with Article 2(1) (authorisation) of the 2004 Commission Decision.

(2) A producer established in Scotland may apply to the Scottish Ministers for authority to market seed for the purposes of tests or trials to be carried out at an agricultural enterprise to gather information on the cultivation or use of a variety of a species specified in Schedule 1.

(3) An application under paragraph (2) shall be made in writing to the Scottish Ministers and shall be accompanied by such information as the Scottish Ministers may require.

(4) The Scottish Ministers shall not grant a tests and trials authorisation unless they are satisfied that—

- (a) the seed is of a variety for which an application has been made by the applicant under regulation 4(1)(a) (applications in relation to National Lists) of the Seeds (National Lists of Varieties) Regulations 2001 for acceptance on to a National List and the application has not been withdrawn or finally determined;
- (b) in the case of seed of a genetically modified variety, an authorisation is in force in respect of the variety under either—
 - (i) the Food and Feed Regulation; or
 - (ii) Part C (placing on the market of GMOs as or in products) of the 2001 Deliberate Release Directive;
- (c) the marketing is for the purposes of tests or trials to be carried out at an agricultural enterprise to gather information on the cultivation or use of a variety of a species specified in Schedule 1;
- (d) an official field inspection has been carried out by the Scottish Ministers or by a licensed crop inspector and a report issued stating that—
 - (i) for rye and maize (including hybrids of rye and maize), hybrids of barley, durum wheat, oats, spelt wheat, triticale (other than self-pollinating varieties) and wheat, the crop satisfies the conditions for Certified Seed set out in Schedule 4; or
 - (ii) for non-hybrid varieties of barley, durum wheat, oats, self-pollinating triticale, spelt wheat and wheat, the crop satisfies the conditions for Certified Seed of the Second Generation set out in Schedule 4;
- (e) an official examination of the seed has been undertaken and a report issued by the Scottish Ministers or by a licensed seed testing station stating that—

- (i) for rye and maize (including hybrids of rye and maize), hybrids of barley, durum wheat, oats, spelt wheat, triticale (other than self-pollinating varieties) and wheat, the seed satisfies the conditions for Certified Seed set out in Schedule 4; or
 - (ii) for non-hybrid varieties of barley, durum wheat, oats, self-pollinating triticale, spelt wheat and wheat, the seed satisfies the conditions for Certified Seed of the Second Generation set out in Schedule 4; and
- (f) such marketing would not contravene a prohibition on the use of the variety that complies with Article 14 of the 2004 Commission Decision and has been published by the Secretary of State in the gazette published under section 34(1) of the Act.
- (5) A tests and trials authorisation shall last for a period of one year or such shorter period as the Scottish Ministers may specify.
- (6) The Scottish Ministers shall not authorise marketing of an amount of seed in excess of that permitted by Article 7 of the 2004 Commission Decision.
- (7) A tests and trials authorisation may be made subject to such conditions as the Scottish Ministers think necessary or desirable having regard to the nature of the tests or trials and the nature of the seed to which the authorisation relates.
- (8) The Scottish Ministers may withdraw a tests and trials authorisation where they are satisfied that there has been a breach of a condition imposed under paragraph (7).
- (9) A tests and trials authorisation shall cease to have effect where the application referred to in paragraph (4)(a) is withdrawn or rejected or the variety is entered in a National List or the Common Catalogue.
- (10) The Scottish Ministers may require, as a condition of a tests and trials authorisation, that the producer to whom authorisation was granted provide them, on request, with information about—
- (a) the results of the tests and trials to which the authorisation relates; and
 - (b) the quantities of seed marketed during the authorised period and the names of the Member States for which the seed was destined.]

General exemptions

10.—(1) Subject to paragraphs (2) and (3), the Scottish Ministers may, by a general licence, exempt any person or class of persons, or persons generally, from compliance with any provision of these Regulations.

(2) The Scottish Ministers shall not exercise the power to issue a general licence under paragraph (1) except—

- (a) to the extent that the provisions of the general licence are permitted in accordance with a temporary experiment organised under Article 13a (temporary experiments) of the Cereal Seed Directive;
- (b) to the extent that the provisions of the general licence are permitted in accordance with Article 15(2) (waiving packing and labelling requirements for not yet fully certified seed imported from other EEA States) of the Cereal Seed Directive;
- (c) to give effect to the provisions of a Council Decision made under Article 16 (checks on third country field inspections and quality control) of the Cereal Seed Directive, including

for the avoidance of doubt the Equivalence Decision, and amendments made to such a Decision;

- (d) to the extent that the provisions of the general licence are permitted in accordance with measures taken pursuant to Article 17 (permission to market lower quality seed) of the Cereal Seed Directive [^{F2}or by Commission Regulation 217/2006 or an authorisation granted thereunder]; or
 - (e) to give effect to the provisions of the Agreement between the European Community and the Swiss Confederation on Trade in Agriculture Products⁽³⁾ as adapted by Decision 2002/309/EC, Euratom of the Council and of the Commission as regards the Agreement on Scientific and Technological Co operation⁽⁴⁾ and as amended by Commission Decision 2004/660/EC⁽⁵⁾ on the Community position on the amendment of the Appendices to Annex 6 to the Agreement between the European Community and the Swiss Confederation on Trade in Agriculture Products.
- (3) A general licence issued under paragraph (1)–
- (a) shall have effect during the period specified in it unless the Scottish Ministers revoke it earlier; and
 - (b) may impose such conditions as the Scottish Ministers may think necessary or desirable having regard to the marketing permitted by the general licence and the nature of the seed to which it relates, including a condition relating to the keeping of records in respect of the marketing of the seed.

Marketing of officially certified lower germination seed

11.—(1) Notwithstanding regulation 6(1)(b) and the requirement in regulation 3 that Pre basic Seed and Basic Seed shall attain the minimum standards of germination specified for Basic Seed in Part II of Schedule 4 or Annex II (seed conditions) of the Cereal Seed Directive, any person may, subject to paragraphs (2) and (3) and regulation 17(6) and the other provisions of these Regulations, market seed–

- (a) in respect of which an official certificate certifying that the seed is of the relevant category of seed has been issued in accordance with Part I of Schedule 2, although it attains a lower percentage of germination than that specified in paragraph 16 of Part II of Schedule 4 in relation to Basic Seed by virtue of exception (ii) of paragraph 2 of Part I of Schedule 2;
- (b) which has been certified as satisfying the conditions for the relevant category of seed by a European Authority other than the Scottish Ministers although the seed attains a lower germination than that specified in Annex II (seed conditions) of the Cereal Seed Directive in relation to Basic Seed, by virtue of Article 4(1)(a) (marketing of lower germination seed) of the Cereal Seed Directive; or

(4) O.J. No. L 114, 30.4.02, p.1.

(5) O.J. No. L 301, 28.9.04, p.55.

- (c) which the person marketing the seed knows does not satisfy the minimum standards of germination specified for Basic Seed—
 - (i) in the case of seed which has been officially certified as being Pre basic Seed or Basic Seed, in paragraph 16 of Part II of Schedule 4, irrespective of the findings of the Scottish Ministers; and
 - (ii) in the case of seed which has been fully certified as being Pre basic Seed or Basic Seed by a European Authority other than the Scottish Ministers, in Annex II (seed conditions) of the Cereal Seed Directive, irrespective of the findings of the relevant European Authority.
- (2) Paragraph (1) shall not apply unless the person marketing the seed guarantees a specific minimum percentage of germination of the seed.
- (3) Paragraph (1) shall not apply to seed which has been imported into the United Kingdom from a country which is not an EEA State.

Marketing of early movement seed

12.—(1) In a case where—

- (a) the official examination in respect of the germination of any seed lot of Pre basic Seed, Basic Seed or Seed of a Certified Generation of a plant variety of a species specified in Part I (varieties of plant species on national lists) of Schedule 1 to the Seeds (National Lists of Varieties) Regulations 2001 accepted on to a UK National List or the Common Catalogue is being undertaken and has not been completed, but a provisional germination report has shown that the seed attains the appropriate minimum standard of germination specified in paragraph 16 of Part II of Schedule 4, the seed in all other respects satisfies the appropriate requirements of Schedule 4 and the provisional analytical report and the provisional germination report on the seed have been presented by the producer to the Scottish Ministers; or
- (b) any seed lot has been certified by a European Authority other than the Scottish Ministers by virtue of Article 4(1)(b) (early movement of seed) of the Cereal Seed Directive, and the provisional germination report on the seed has been presented by the producer to the Scottish Ministers,

the seed lot or any part of the seed lot may, notwithstanding regulation 6(1)(b) but subject to paragraphs (2) to (5), regulation 17(7) and the other provisions of these Regulations, be marketed to the first buyer by way of trade.

- (2) In the event of any marketing under paragraph (1), the seller of the seed shall—
 - (a) upon or before delivery, provide the first buyer by way of trade with a written statement that the seed is marketed before the completion of the official germination test together with the result in the provisional germination report;
 - (b) notify the Scottish Ministers in writing of the name and address of the first buyer by way of trade as soon as practicable after delivery and in any event not later than 7 days after delivery;
 - (c) guarantee a specific minimum percentage of germination, which shall be the percentage of the germination of the seed as ascertained in the provisional germination report; and

Status: Point in time view as at 01/04/2007.

Changes to legislation: There are currently no known outstanding effects for the The Cereal Seed (Scotland) Regulations 2005, PART II. (See end of Document for details)

(d) in the event of the official germination test showing the failure of the seed to comply with the minimum germination standard specified in paragraph 16 of Part II of Schedule 4 for seed of the relevant category, the seller shall provide the first buyer by way of trade with the result of the completed official germination test, in writing, as soon as practicable and in any event not later than 7 days after being informed of it.

(3) The provisions of paragraph (1) shall not apply to the marketing of any seed lot or part of any seed lot in respect of which a previous official examination or an examination by a European Authority other than the Scottish Ministers has shown that the seed fails to meet the standards specified for the relevant category of seed in Part II of Schedule 4 or Annex II (seed conditions) of the Cereal Seed Directive or which has been subjected to a tetrazolium test carried out by the Scottish Ministers or a licensed seed testing station to establish the viability of the seed.

(4) A person who sells any seed in accordance with paragraph (1) shall make and, until the end of the period of two years after the date of delivery of the seed to the first buyer by way of trade, keep available for inspection by the Scottish Ministers a record of the date of such delivery, of the reference number of the seed lot or part of a seed lot delivered, of the name and address of the first buyer by way of trade, of the date on which the preliminary test of germination was carried out and of the result of that test in the provisional germination report and, if appropriate, of the date on which the first buyer by way of trade was informed of the result of the completed official germination test.

(5) Paragraph (1) shall not apply to seed which has been imported into the United Kingdom from a country which is not an EEA State.
