(3) S.I.1994/3130; regulation 5 was amended by S.I. 1998/669 and modified by S.S.I. 2004/163. The whole regulations are prospectively revoked by S.I. 2003/1250.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the National Health Service (Primary Medical Services Performers Lists) (Scotland) Regulations 2004 (“the principal Regulations”), which provide for lists of medical practitioners who may perform primary medical services for which Health Boards are, under section 2C(1) of the National Health Service (Scotland) Act 1978, under a duty to provide or secure the provision of, to be kept by those Health Boards.

Regulation 2(2) amends the definition of “general medical practitioner” in the principal Regulations so that references to one include all medical practitioners included on the General Practitioner Register or, until that Register comes into effect, who are suitably experienced or have an acquired right to practise as a general medical practitioner. The effect is to provide that all such medical practitioners may be included on a list and perform primary medical services for which a Health Board is under a duty to provide or secure the provision of.

Regulation 2(3) amends the definition of “GP Registrar” to clarify its meaning and to make the definition consistent with other definitions of GP Registrar in subordinate legislation on primary medical services.
