

## SCHEDULE 1

Measures applicable in respect of a wild bird protection zone

### PART 5

Other measures

#### **Prohibition on movement of used litter or manure**

**9.** No person may move any used litter or manure from premises in a wild bird protection zone to premises outside the zone unless—

- (a) the movement is to an establishment for treatment in accordance with Regulation (EC) [No. 1774/2002](#); or
- (b) the used litter or manure has already been so treated.
