

Status: *This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

EXPLANATORY NOTE

(This note is not part of the Act of Sederunt)

This Act of Sederunt inserts a new Chapter 43 into the Ordinary Cause Rules to provide for intimation to the Office of Fair Trading of any action in which an issue under Article 81 or 82 of the Treaty establishing the European Community is raised. It also inserts a new form of intimation to the Office of Fair Trading.
