The Older Cattle (Disposal) (Scotland) Regulations 2006

Notice requiring the disposal of animal by products

6. If an inspector considers it necessary for animal or public health purposes or if any provision of the Commission Regulation or of these Regulations is not being complied with, that inspector may serve a notice on any person in possession or control of any animal by product—

- (a) requiring that person to dispose of the animal by product in such manner as may be specified in the notice; and
- (b) specifying how the animal by-product is to be stored pending disposal.
