2006 No. 44

The Foot-and-Mouth Disease (Scotland) Order 2006

PART 3

Measures following confirmation of disease

Declaration of protection and surveillance zones on confirmation of the disease in Scotland

30.—(1) The Scottish Ministers shall, on confirmation of the disease on premises in Scotland, other than—

- (a) a slaughterhouse or [^{F1}border control post]; or
- (b) premises to which infected or contaminated animals have been transported under article 10(1)(b),

declare a protection zone and a surveillance zone in such part of Scotland as they think fit.

(2) The Scottish Ministers may, on confirmation of the disease—

- (a) at a slaughterhouse or [^{F1}border control post] in Scotland,
- (b) at premises in Scotland to which infected or contaminated animals have been transported under article 10(1)(b),

declare a protection zone and a surveillance zone in such part of Scotland as they think fit to prevent the spread of the disease.

(3) A declaration under this article shall designate—

- (a) the extent of the protection zone which shall be an area centred on the infected premises and of at least three kilometres radius; and
- (b) the extent of the surveillance zone which shall be an area centred on the same premises and of at least ten kilometres radius.
